MINUTES

A meeting of the California Authority of Racing Fairs (CARF) Board of Directors was held at 12:30 P.M., Tuesday, April 1, 2014. The meeting hosted at the CARF offices, 1776 Tribute Road, Sacramento, California.

CARF Board Directors attending: John Alkire, Chris Carpenter, Mike Paluszak and Rick Pickering. Joining by teleconference: Chris Borovansky and Kelly Violini.

Staff and Guests attending: Christopher Korby, Larry Swartzlander, Tom Doutrich, Heather Haviland, Amelia White, Raechelle Gibbons, Ann Grottveit, Richard Conway, Brian May, John Quiroz and Caroline Titus. Joining by teleconference: Louie Brown.

Agenda Item 1 – Date, Time and Location of Next Meeting: May 6, 2014. The next CARF Board of Directors meeting will be held Tuesday, May 6, 2014 in Sacramento. Mr. Korby reported that the start time for the May CARF Board of Directors meeting will be moved to 1:00 p.m. to accommodate the recent longer length of the Live Racing Committee meetings.

Agenda Item 2 – Public Comment. None.

Agenda Item 3 – Approval of Minutes. Mr. Pickering moved to approve the meeting minutes as presented. Mr. Paluszak seconded, unanimously approved.

Agenda Item 4 – Report, Discussion and Action, if any, on CARF 2014 Legislative Program. Mr. Brown reported that AB 1301 (Hall), a bill that will allow a non-profit association to run at a Fair in the Northern zone thereby allowing the Oak Tree at Pleasanton meet, and SB 777 (Hernandez), a bill to extend and/or reinstate the additional takeout provided for worker’s compensation, were both signed into law by the governor.

Mr. Brown stated that staff is working with the author of CARF-sponsored SB 1003 (Evans) to amend the focus of that bill from a substantive spot bill increasing the imported race cap to a sunset extension for the California Marketing Committee (CMC).

Mr. Brown stated that the topic of Internet poker is once again generating focus and picking up speed. Two bills pertaining to Internet poker have been introduced this legislative session, AB

2291 (Jones-Sawyer) and SB 1366 (Correa). Senator Lou Correa is the new Chairman of the Senate Governmental Organization (G.O.) Committee. Neither bill currently includes horse racing, but legislative staff has met with Senator Correa's staff and Assembly Member Jones-Sawyer and believes both authors are in agreement about amending language to include the horse racing industry.

Mr. Brown reported that legislative staff and California Fair Alliance successfully co-authored a letter with Assembly Member Susan Eggman and Senator Anthony Cannella that was signed by 32 members of the legislature and sent to the chairs of the Joint Legislative Budget Committee. The letter asked for general fund dollars to be appropriated to the California Fair network this budget year. Mr. Brown feels this was a great first step in helping Fairs find relief.

Mr. Brown reported that SCR 95 (Steinberg), a measure that would designate the California State Fair race track the Kirk Breed Memorial Race Track, passed unanimously out of the Senate G.O. Committee.

Agenda Item 5 – Report, Discussion and Action, if any, on Memorandum of Understanding Regarding Reimbursement of Racing Expenses Paid by CARF on Behalf of Member Fairs. Mr. Korby reported that the CARF Live Racing Committee unanimously adopted a motion to require all live racing Fairs to sign a MOU which will be based on the draft agreement signed by the San Joaquin County Fair in 2013 at the March 4, 2014 meeting.

Mr. Korby stated that only one Fair signed and returned the MOU in March. The Live Racing Committee once again unanimously adopted a motion to require all live racing fairs to sign a memorandum of understanding (MOU) pledging payment of monies owed CARF for advancing funds to pay costs associated with running a race meet by the May CARF Live Racing Committee meeting (30 days). Mr. Korby asked that the CARF Board of Directors ratify the Live Racing Committee action.

Mr. Korby stated that Fairs were notified, with the agreement of Ms. Grottveit, that language in item number two of the MOU could be modified to change the sixth word from "shall" to "may."

Mr. Borovansky moved to ratify the Live Racing Committee motion to require all live racing fairs to sign a memorandum of understanding (MOU) pledging payment of monies owed CARF for advancing funds to pay costs associated with running a race meet by the May CARF Live Racing Committee meeting (30 days). Mr. Paluszak seconded, unanimously approved.

Agenda Item 6 – Report, Discussion and Action, if any, on CHRB Deliberations Regarding Racing Dates for 2014, 2015 and Beyond. Mr. Korby reported that the California Horse Racing Board (CHRB) granted three weeks of racing to California State Fair in 2015. A press release detailing the racing dates allocation is included in the meeting packets.

Agenda Item 7 – Report, Discussion and Action, if any, on Re-Structuring of SCOTW, Inc. Due to Closure of Hollywood Park. Mr. Korby reported that by virtue of Oak Tree Racing Association joining into partnership with Alameda County Fair and the closure of Hollywood Park, SCOTW, Inc. has undergone a restructuring process and George Haines has been named General Manager of the organization. A document titled “*Executive Summary of New Governing Document for the SCOTW INC Entities*” is included in the meeting packet and has been reviewed in detail by CARF staff and Ms. Grottveit.

Mr. Korby reported that at the most recent SCTOW, Inc. meeting, after the withdrawal of an unacceptable condition and based on review by CARF legal counsel, he voted in support of the proposed SCOTWIN, Inc. restructuring contingent on ratification by the CARF Board of Directors.

Mr. Pickering moved to ratify the SCOTW, Inc. restructuring agreement as presented based on staff and legal counsel’s recommendation. Mr. Paluszak seconded, unanimously approved.

Agenda Item 8 – Financials. Mr. Alkire stated that financials are included in the meeting packets and Ms. Gibbons is available to answer questions.

Agenda Item 9 – Executive Director’s Report. Mr. Korby reported that trainer Steve Asmussen was the target of a four-month probe by a female investigator working undercover for the People for the Ethical Treatment of Animals (PETA). The woman, hired as a hot walker in Asmussen’s barns, secretly videotaped more than seven hours at Asmussen’s barns at Churchill Downs and at Saratoga Race Course. Mr. Korby stated the importance of communicating to the public the amount of care that horses receive on the backside and that people who violate the rules will not be tolerated.

Mr. Pickering reported that the Executive Director of the California Horse Racing Board, Rick Baedecker, has been very supportive of Fair racing in his new capacity.

Mr. Pickering reported that an unusual incident involving a harness horse recently transpired at Cal Expo and the CHRB is investigating the incident.

Respectfully submitted,
Heather Haviland

CHRB APPROVES LICENSE FOR OAK TREE TO RUN AT PLEASANTON

by Press Release | April 25, 2014 2:28 pm

The California Horse Racing Board today approved a license application submitted by Oak Tree Racing Association and Alameda County Fair to conduct three weeks of racing at the Fairgrounds in Pleasanton, CA, beginning on June 19th and running through July 6, 2014. CHRB approval represents the latest step forward in a year-long effort by Oak Tree, Alameda County Fair and the California Authority of Racing Fairs to offer a new concept for racing in Northern California.

Earlier in the year, the three organizations worked with California legislators to carry a bill which would clear the way for this effort. In March, the legislature passed AB 1303 (Hall), which enabled Oak Tree to run at a Fair in Northern California. Governor Brown signed the legislation on March 28, 2014. An application for a racing license was submitted to the CHRB on April 11, 2014.

"On behalf of the Oak Tree Board of Directors, we want to thank the California legislature, the Governor and our friends in the racing industry who have supported and encouraged this effort," said John Barr, President and Sherwood Chillingworth, Executive Vice-President of Oak Tree Racing Association, in a joint statement. "Oak Tree has worked closely with Alameda County Fair and California Authority of Racing Fairs on the negotiations and legislation that have led up to this approval. We want to thank the management and boards of both organizations for what we've been able to accomplish together."

"The alliance with these partners will be a big gain for horse racing in Northern California," said Alameda County Fair CEO Jerome Hoban. "Combining the legacy of Oak Tree with the long heritage of racing at Alameda County Fair will bring new excitement to racing at Pleasanton. This is also a great opportunity to showcase horse racing to the hundreds of thousands of people who attend our Fair every year. Our community is looking forward to the event."

Oak Tree will complement purses for the upcoming meeting with a sponsorship contribution of \$150,000 which will be dedicated entirely to purses. The meeting will feature four stakes over the three weeks, most notably two \$100,000 Stakes: on Saturday, June 21st, the Oak Tree Handicap for horses three and up at a mile and an eighth, and the Oak Tree Distaff on Saturday, June 28th, for Cal-Bred fillies and mares three and up at six furlongs (supported by the California Thoroughbred Breeders Association as part of their Golden State Series).

"All three organizations wish to express our sincere thanks to the California Horse Racing Board for their approval today," said Christopher Korby, Executive Director of the California Authority of Racing Fairs. "We believe that attractive purses, Oak Tree's participation and thousands of people at a Fairgrounds' venue will combine to generate some real excitement about our sport. This venture represents a new vision for racing in Northern California."

CHRB to Hear Report on Proposed Fairplex Move

By Jack Shinar April 23, 2014 3:33 PM 3 Comments Racing, West Region

Photo:

The California Horse Racing Board will hear a report April 25 on the proposed transfer of the Los Angeles County Fair's 2014 race dates from Fairplex Park to Los Alamitos Race Course.

The late addition to the board agenda was made following the announcement April 21 of an agreement by LACF to transfer its 11-day Thoroughbred meet Sept. 5-21 to Los Alamitos. The plan has the support of the Thoroughbred Owners of California.

CHRB spokesman Mike Marten said the presentation will be for informational purposes, giving commissioners an opportunity to learn the details of the move. The board, which allocates race dates, must grant approval before Los Alamitos could host the meet. The board's next regular meeting is scheduled May 22 at [Santa Anita Park](#), where it may take action on a formal application for the date transfer.

The meeting is scheduled to begin Friday at 9:30 a.m. PDT at the [Golden Gate Fields Turf Club](#). For those who cannot attend, an audio webcast of the proceedings is available via the following link on the CHRB website: www.chrb.ca.gov.

The board will also hear a license application from the Oak Tree Racing Association to conduct the annual Alameda County Fair meet June 19-July 6. Also on the agenda are proposed changes on whip use by jockeys during races, and additions to penalties for use of an electrical device or buzzer on a horse.

Again I'll state very bad move. At Fairplex people attending the fair are young people and families who have not been exposed to horse racing. They walk in to Fairplex and they're close to horses and excitement in a very casual atmosphere. Maybe it's a good money move for the parties involved BUT it's not good for horse racing in general. Also I don't believe thoroughbred owners agree to this move..Most horses running at Fairplex came from N.Cal or out of state. The class of horse is not the same as major tracks. This doesn't make it any less fun or competitive for the fans. How is this move going attract new racing fans? This is the only racing situation, where horse racing can garner new fans, without them actually going to a race track. At Fairplex the jockeys talk to the public, the horses are very close when racing. This is how you get new fans!! People going to the fair are not going to Los Al. The regular horseplayers will go but not new ones. Bad Bad idea. We have already lost Bay Meadows, Hollywood Park because of low attendance, keep this up and we'll lose horse racing altogether in California!! Better rethink this move.

Unfortunately nobody in California seems to be concerned about what is best for racing. It is all about the money. I don't believe it was best for racing to lose Hollywood Park but nobody would step up to do anything. It appears as though this will be the same type situation.....

INTRODUCTION

► In 2001, CARF developed a program to actively recruit out-of-state owners, trainers and horses to compete on the Northern California Summer Racing Circuit. The goal of the program was simple: increase the field size for summer racing in Northern California.

In order to accomplish this goal, CARF set three objectives for the initial program: 1) inform and educate horsemen in other jurisdictions about the benefits of racing in California, 2) retain horsemen who have elected to compete in Northern California in previous years, and 3) offer financial incentives to assist horsemen with the cost of shipping horses to Northern California.

The CARF recruitment program proved successful in bringing horsemen to California and increasing field size. From 2001 to 2012, the CARF recruitment program paid more than \$431,000 in shipping incentives to horses that made upwards of 3,700 starts.

The landscape of racing in California has changed dramatically since the recruitment program's inception in 2001. We're finding that retention and recognition of horsemen have become just as important as recruitment. Consequently, we're adjusting the incentives in our program so that the elements of **recruitment**, **retention** and **recognition** will each contribute to the program's primary objective: increase field size.

We're pleased to report that the changes to our program in 2013 were met with positive response from horsemen. Once again this year, the program proved itself to be a successful component of our summer racing in Northern California.

In closing, we want to express our sincere thanks to all the owners and trainers who participated in our meets this last year and extend a cordial invitation to join us again in 2014.

OUR STRATEGY

The 2013 CARF Recruitment Program was expanded to include recruitment, starter incentives and a VIP Horsemen's program.

RECRUITMENT OUT-OF-STATE SHIPPING INCENTIVES

► Each spring since 2001, CARF has scheduled a series of out-of-state recruitment visits to personally meet one-on-one with horsemen in other jurisdictions and invite them to compete in Northern California for the summer.

To give extra meaning to our invitation and to financially assist horsemen who choose to ship to our circuit, CARF pays a \$300 Relocation Fee to the designated payee of any horse making its first start after shipping over 600 miles. A qualifying runner making its second start on the Fair Circuit will receive \$150.

RETENTION STARTER INCENTIVES & FIELD SIZE

► In an effort to retain Northern California trainers, maximize field size and offset the cost of shipping outside of the Bay Area, CARF offered a \$1,000 incentive for trainers making 10 or more starts at select Fairs (Cal Expo, Stockton and Fresno). Trainers making 5-9 starts received a \$500 bonus. This program realized a 49% increase in the number of entries made by qualifying trainers and a 46% increase in the number of starts.

RECOGNITION HORSEMEN VIP PROGRAM

► The CARF VIP Horsemen's Program provides horsemen with a single set of parking and admission credentials for the CARF Fair Circuit. The VIP Horsemen database is also used to distribute a welcome packet of information prior to the Fairs and fuel cards that are redeemable through the Paymaster's office.

1

CARF paid \$45,900 in relocation fees to 129 horses which made 282 starts on the 2013 Fair Circuit.

2

CARF paid \$51,500 in trainer incentives to trainers who made 668 starts at Cal Expo, Stockton and Fresno.

3

The CARF VIP Horsemen credentials simplify many of the logistical challenges horsemen face moving Fair to Fair.

PROGRAM BUDGET

► The CARF Recruitment Program is funded by allocations from member Fairs and from the California Marketing Committee (CMC).

In 2013, staff decided to forego the traditional out-of-state recruitment trips, receptions and dinners in favor of a direct mail piece to our database of out-of-state horsemen developed over the past 12 years during trips to Arizona, Oregon, Idaho and Washington.

Funds that normally would have been allocated for recruitment trips were instead redirected to develop a new Starter Incentive Program. This program was developed to retain Northern California trainers and increase field size at Fairs that require horsemen to ship outside of the Bay Area.

RECRUITMENT RESULTS

▶ The CARF Out-of-State Recruitment Program, administered by the California Authority of Racing Fairs staff, makes available \$300 to every horse that travels 600 miles or more to start on the Northern California Fair Circuit for its first start and \$150 for its second start (\$450 total). A runner making its first start at Ferndale receives \$150 for each of two starts, with another \$150 available if the horse starts again at Stockton and/or Fresno.

During recruiting efforts prior to our first meet, horsemen are notified of the program and invited to visit or call the paymaster when running an out-of-state horse. The paymaster maintains a ledger of eligible horses and verifies by past performances or Coggins test paperwork that the horse has traveled 600 miles or more to run on the Fairs. Payment is made by a transfer into the account of the owner or trainer of the horse.

RETENTION RESULTS

In an effort to retain Northern California trainers, maximize field size and offset the cost of shipping outside of the Bay Area, CARF offered a \$1,000 incentive for trainers making 10 or more starts at select Fairs (Cal Expo, Stockton and Fresno). CAL EXPO - 34 TRAINERS QUALIFIED FOR THE STARTER INCENTIVE PROGRAM.

Entries by these trainers were up 37% (336 in 2012 compared to 460 in 2013) and starts were up 42% (183 in 2012 compared to 259 in 2013). Thoroughbred field size for the meet increased from 6.73 in 2012 to 7.24 in 2013.

64% | 56%

STOCKTON - 19 TRAINERS QUALIFIED FOR THE STARTER INCENTIVE PROGRAM.

With two days less racing, entries by these trainers were up 64% (140 in 2012 compared to 229 in 2013) and starts were up 56% (82 in 2012 compared to 128 in 2013). Thoroughbred field size for the meet increased from 6.92 in 2012 to 8.19 in 2013.

FRESNO - 32 TRAINERS QUALIFIED FOR THE STARTER INCENTIVE PROGRAM.
