CALIFORNIA AUTHORITY OF RACING FAIRS

Live Racing Committee
Tuesday, December 9, 2008

Minutes

A meeting of the California Authority of Racing Fairs Live Racing Committee was held at 11:00 A.M., Tuesday, December 9, 2008. The meeting was conducted at the California Authority of Racing Fairs Conference Room, 1776 Tribute Road, Suite 205, Sacramento, California, 95815.

Live Racing Committee Members attending: John Alkire, Norb Bartosik, Debbie Cook and Rick Pickering. Joining by conference call: Chris Carpenter, Mike Paluszak and Stuart Titus.

Staff and Guests attending: Chris Korby, Larry Swartzlander, Heather Haviland, Margot Wilson, Rick Wood, Raechelle Gibbons, Kevin Wong, Dave Elliott and Dan White. Joining by conference call: Richard Lewis, Kate Phariss and Dan Jacobs.

Agenda Item 1 – Determination of Date, Time and Location of Next Meeting. The next CARF Board and Live Racing Committee meeting is scheduled for Tuesday, February 3, 2009 in Sacramento, same time and location.

Agenda Item 2 – Approval of Minutes from Sept. 3, 2008. Mr. Bartosik moved to approve the meeting minutes as presented with one grammatical correction. Mr. Pickering seconded, unanimously approved.

Agenda Item 3 – Election of Chair. Mr. Bartosik moved to nominate Mr. Alkire Chairman of the CARF Live Racing Committee. Mr. Pickering seconded, unanimously approved.

Agenda Item 4 – Executive Director's Report. Mr. Korby reported on the state of the racing industry in California, specifically MAGNA Entertainment which operates Santa Anita and Golden Gate Fields and the imminent closure of Hollywood Park. MAGNA Entertainment is facing significant debt and their long-term future is uncertain. Fairs need to remain attentive to ongoing changes in the racing landscape and the opportunities and challenges that might be created for Fairs.

Mr. Carpenter provided an update on the Bay Meadows racecourse property. The grandstand and barn area have been leveled. The San Mateo satellite is in full operation and is handling at a level just slightly below Golden Gate Fields running live. The satellite is facing challenges by being approximately one mile from the old Bay Meadows CalTrans drop off but attendance and handle are steady and both renovated halls are being utilized.

Mr. Bartosik requested the next agenda include an update on harness racing.

Mr. Alkire reported that the current Harness horsemen's organization has contacted Fresno regarding potentially running at the Fairgrounds.

Respectfully submitted,

Heather Haviland

Live Racing Committee
Tuesday, February 3, 2009

Minutes

A meeting of the California Authority of Racing Fairs Live Racing Committee was held at 11:00 A.M., Tuesday, February 3, 2009. The meeting was conducted at the California Authority of Racing Fairs Conference Room, 1776 Tribute Road, Suite 205, Sacramento, California, 95815.

Live Racing Committee Members attending: John Alkire, Norb Bartosik, Debbie Cook and Rick Pickering. Joining by conference call: Chris Carpenter, Mike Paluszak, Tawny Tesconi and Stuart Titus.

Staff and Guests attending: Chris Korby, Heather Haviland, Margot Wilson, Dave Elliott, Dan White, Helen Shelley and Lisa Belser. Joining by conference call: Louie Brown, Scott Grieve and Kate Phariss.

Agenda Item 1 – Determination of Date, Time and Location of Next Meeting. The next CARF Board & Live Racing Committee meeting is scheduled for Tuesday, March 3, 2009 in Sacramento, location and time to be determined.

Agenda Item 2 – Approval of Minutes. Mr. Pickering moved to approve the meeting minutes as presented. Mr. Carpenter seconded, unanimously approved.

Agenda Item 3 – Discussion and Action, if any, on Legislative Matters. Mr. Brown provided an update on budget activity at the Capitol, which has created very little movement for legislation. CARF is working on potential language to extend the workmen's compensation agreement for Emerging Breeds, takeout increase for Fair facility infrastructure improvements (2% of exotics) and an increase in satellite revenues/commissions.

At the Western Fairs Association Conference, Steven Chambers introduced the idea of a larger California Fair network stimulus package that would transfer the obligation of Fair funding from horse racing to future gaming compacts. The concept, brought forth by the California Fair Alliance, is in the discussion phase.

Mr. Pickering shared concerns from Steve Beasley of the Orange County Fair regarding perceptions that the WFA presentation heavily favored the four large urban racing Fairs. Mr. Pickering explained that the \$80 million conceptually provided to racing Fairs in preliminary discussion was in addition to the overall potential allocation.

Agenda Item 4 – Discussion and Action, if any, on Application to CHRB for Implementation of AB 765 1% Increase in Takeout for 2009. Mr. Korby briefly reviewed the history of AB 765 which would allow Fairs to increase handle 1% for maintenance and capital improvements at a Fair's racetrack. Implementation of the bill was delayed due to a request by the racing industry to participate in a comprehensive state-wide bill. The industry bill was not successful. Mr. Korby asked if the Committee wished to go back to the California Horse Racing

Board with an application to implement the provisions of AB 765 effective 2009. Movement is critical to start accumulating monies to make improvements necessary for those Fairs planning to take on additional race dates. CARF was able to successfully get the bill passed through legislation and now there is a perceived obligation to move forward with implementation. Fairs are losing approximately \$1 million every year the takeout is not increased.

Mr. Pickering moved that CARF reactivate the request to the California Horse Racing Board to implement AB 765 beginning with the 2009 Fair race meets. Ms. Cook seconded, unanimously approved.

Agenda Item 5 – Report and Update on Racing Dates at Solano County Fair. Mr. Korby reported that a member from the Solano County Board of Supervisors was concerned with the plan to run Vallejo dates at Pleasanton under the umbrella of a combined Fair meet. The Solano County Fair Board had previously approved to run one week at Pleasanton and one week at Vallejo in 2009, then cease running at Vallejo in 2010 and beyond with a 5-8 year sliding scale financial arrangement for the Solano County Fair.

In November 2008, Chairman John Vasquez from Solano County expressed extreme concern in not being aware of Vallejo's plans to stop racing. Mr. Vasquez has appeared at two California Horse Racing Board meetings to request Vallejo return to its traditional dates. The CHRB asked the involved parties to meet and come to a resolution.

The Solano County Board of Supervisors has asked for a detailed presentation regarding the Solano County Fair's rationale to stop racing, including future plans for the property.

Mr. Korby stated that he, Mr. Pickering and Mr. Paluszak were meeting next week to proceed with the planning and execution of running five days of the Solano County Fair at Pleasanton.

The racing industry needs to be aware that the Solano County Fair wishes to stop conducting live racing at Vallejo and it is the Solano County Board of Supervisors that is resisting the Fair's plan.

Agenda Item 6 – Update, Discussion and Action, if any, on Racing-Related Contracts and Services. Mr. Korby reported that CARF was conducting standard annual contract review. One significant contract up for review is the printing of the daily racing program which might be consolidated with Golden Gate Fields. The program printing will be put out to bid.

Ms. Tesconi requested CARF meet with her to review her 2008 CARF bill. Mr. Korby reported that CARF had been meeting with individual Fairs to review billing. Ms. Tesconi asked that the item be placed on the next meeting agenda.

Agenda Item 7 – Report and Planning for 2009 Summer Racing Program. Mr. Korby, Mr. Swartzlander and Racing Secretary Tom Doutrich have been meeting to ensure the proper consolidation of the coordination between the Fairs and Golden Gate Fields for the

summer racing circuit. Mr. Doutrich will be playing a critical role in supervising the dates run at Golden Gate Fields in order to protect Sacramento, Ferndale and Fresno.

Mr. Bartosik asked to renew discussion regarding the request of \$20,000 in assistance for stabling and vanning during the 2009 Sacramento race meet. Mr. Bartosik also asked for financial assistance for a trainer's contest at Sacramento (the contest has traditionally cost Sacramento \$40,000) or a starter bonus of similar value.

Agenda Item 8 – Executive Director's Report. Mr. Korby reported that the California Horse Racing Board recently distributed a letter regarding the collection of the F&E shortfall. The letter was from the CHRB to all live racing producers in California requesting each party's share of the 2008 shortfall. There is concern that the figures requested by CHRB do not match the figures expected from F&E.

Mr. Pickering reported that Craig Fravel from Del Mar and Robert Hartman from Golden Gate Fields met with Steve Chambers, Mike Treacy and Bruce Lim to engage a wider Fair audience. From that meeting came an informal financial sub-committee whose purpose was to determine how to specifically get to \$40 million. According to that committee, there is potentially \$700,000 going to the General Fund from license fees that is not being accounted as part of the \$40 million. Discussion will continue and CARF needs to be a part of those discussions.

Respectfully submitted,

Heather Haviland

Dead/2YR | 1st Desk | 1st Policy | 1st Fiscal | 1st Floor | 2nd Desk | 2nd Policy | 2nd Fiscal | 2nd Floor | Conf./Conc. | Enrolled | Vetoed | Chaptered

Summary: The Public Employees' Retirement Law calculates service retirement allowances, in part, based on years of credited service. Members of the Public Employees' Retirement System may receive service credit for public service not otherwise subject to credit, upon payment of specified additional contributions. Existing law authorizes specified members of that system, including employees or officers of the state, the university, a school employer, or a contracting agency and certain legislative employees, to elect to make additional contributions and receive up to 5 years of additional retirement service credit, as defined, subject to specified limitations. This bill would make a technical, nonsubstantive change to that provision.

Dead/2YR | 1st Desk | 1st Policy | 1st Fiscal | 1st Floor | 2nd Desk | 2nd Policy | 2nd Fiscal | 2nd Floor | Conf./Conc. | Enrolled | Vetoed | Chaptered

Summary: Would amend the act to authorize the Tule River Tribal Council, as the governing body of the Tule River Indian Reservation of California, a federally recognized Indian tribe to enter into a joint powers agreement with the City of Porterville to create a joint powers agency, known as the Porterville Airport Area Development Authority (PAADA), for the sole purpose of developing approximately 1,200 acres of land in the vicinity of the Porterville Airport. The bill would specify the membership of the PAADA's 5-member board and require that all actions taken by PAADA be by an affirmative vote of 4 members of the board. The bill would authorize PAADA to take various actions, including jointly planning land use, incurring debt, making lease purchase arrangements, and issuing revenue bonds and certificates of participation. The bill would prohibit PAADA from authorizing or issuing bonds pursuant to the Marks-Roos Local Bond Pooling Act of 1985, unless the funded public improvements will be owned and maintained by PAADA or one or more public agency members, and the revenue streams pledged to repay the bonds derive from PAADA or one or more of its public agency members. The bill would repeal its provisions on January 1, 2039. This bill contains other related provisions.

Summary: Would require the secretary to establish the Native American Business Revolving Loan and Guarantee Program for the purpose of providing nongaming business loans and loan guarantees to qualified Indian tribes, as defined. The bill would create the Native American Business Revolving Loan and Guarantee Program Account within the California Small Business Expansion Fund, solely for the purpose of receiving state, federal, or local government moneys, other public or private moneys, and tribal government contributions. The bill would continuously appropriate the moneys in the account to the director for the purpose of implementing and administering the program. By authorizing the expenditure of funds from a continuously appropriated account, the bill would make an appropriation. The bill would require that the program and the steps necessary to implement it and make it operative not be undertaken until the secretary has determined that funds of a sufficient amount to create a loan pool and pay program administrative costs have been received into the account. The bill would require the director to provide for the development and implementation of the application review process for the program, subject to specified requirements. The bill would specify the maximum amount of a loan or loan guarantee granted under the program and would require a tribe applying for a loan to provide matching funds in a specified amount. The bill would create the Native American Business Finance Council, consisting of 9 members, who are appointed by, and serve at the pleasure of, the Governor, to provide policy and program guidance regarding the development and operation of the program. The bill would require the director to annually report to the secretary on the activities of the program, to include within that report information pertaining to the loss experience for loans and loan guarantees made pursuant to the program, and, no later than January 1, 2011, to report to the Governor and the Legislature the results of an independent audit of the program. Summary: Would require the director, prior to an unspecified date, to sell, at fair market value, upon those terms and conditions determined by the director, a specified parcel of state property located in the County of San Mateo and the City and County of San Francisco to any interested party. The bill would exempt an "as-is" sale, exchange, sale, sale combined with an exchange, or transfer of this parcel from certain provisions of the California Environmental Quality Act (CEQA). If the sale, exchange, sale combined with an exchange, or transfer of the parcel is not an "as-is" sale and close of escrow is contingent on satisfying a local governmental approval for entitlement or land use requirements, including compliance by the local government with certain provisions of CEQA, then the execution of the purchase and sale agreement or exchange agreement would be exempt from those provisions of CEQA. This bill contains other related provisions.

Summary: Would provide that, notwithstanding the above provisions, a gambling establishment licensed by the commission and operating in the City of San Jose on January 1, 2010, may change its location within the County of Santa Clara by providing the commission with notice at least 3 months prior to that change. The bill would provide that these provisions do not supersede any local measure prohibiting or regulating gambling establishments.

DRAFT FOR INTERNAL USE ONLY

Two Percent Satellite Commission Raised to Three Percent

NOTE: This language adjusts the commission paid to satellite wagering facilities (also know as "location fees") from two percent to three percent, both for traditional totalisator wagers and for ADW wagers. It deletes the language that maintains the same take-out off-track and on-track.

19605.7. The total percentage deducted from wagers at satellite wagering facilities in the northern zone shall be distributed as set forth in this section. Amounts deducted under this section shall be distributed as follows:

Deleted: shall be the same as the deductions for wagers at the racetrack where the racing meeting is being conducted and

(a) For thoroughbred meetings, 1.3 percent of the amount handled by the satellite wagering facility on conventional and exotic wagers shall be distributed to the racing association for payment to the state as a license fee, 3 percent shall be distributed to the satellite wagering facility as a commission for the right to do business, as a franchise, and this commission is not for the use of any real property, 2.5 percent or the amount of actual operating expenses, as determined by the board, whichever is less, shall be distributed to an organization described in Section 19608.2, and 0.54 percent shall be deposited with the official registering agency pursuant to subdivision (a) of Section 19617.2 and shall thereafter be distributed in accordance with subdivisions (b), (c) and (d) of Section 19617.2, and 0.033 percent distributed to the Center for Equine Health and 0.067 percent distributed to the California Animal Health and Food Safety Laboratory, School of Veterinary Medicine, University of California at Davis. It is the intent of the Legislature that the 0.033 percent of funds distributed to the Center for Equine Health shall supplement, and not supplant, other funding sources.

Deleted: 2

(b) For harness, quarter horse, Appaloosa, Arabian, or mixed breed meetings, 0.4 percent of the amount handled by the satellite wagering facility on conventional and exotic wagers shall be distributed to the racing association for payment to the state as a license fee, for fair meetings, 1 percent of the amount handled by the satellite wagering facility on conventional and exotic wagers shall be distributed to the fair association for payment to the state as a license fee, 3 percent shall be distributed to the satellite wagering facility as a commission for the right to do business, as a franchise, and this commission is not for the use of any real property, and 6 percent of the amount handled by the satellite wagering facility or the amount of actual operating expenses, as determined by the board, whichever is less, shall be distributed to an organization described in Section 19608.2. In addition, in the case of quarter horses, 0.4 percent shall be deposited with the

official registering agency pursuant to subdivision (b) of Section 19617.7 and shall thereafter be distributed in accordance with subdivisions (c), (d), and (e) of Section 19617.7; in the case of Appaloosas, 0.4 percent shall be deposited with the official registering agency pursuant to subdivision (b) of Section 19617.9 and shall thereafter be distributed in accordance with subdivisions (c), (d), and (e) of Section 19617.9; in the case of Arabians, 0.4 percent shall be held by the association to be deposited with the official registering agency pursuant to Section 19617.8, and shall thereafter be distributed in accordance with Section 19617.8; in the case of standardbreds, 0.4 percent shall be distributed for the California Standardbred Sires Stakes Program pursuant to Section 19619; in the case of thoroughbreds, 0.48 percent shall be deposited with the official registering agency pursuant to subdivision (a) of Section 19617.2 and shall thereafter be distributed in accordance with subdivisions (b), (c), and (d) of Section 19617.2; and 0.033 percent shall be distributed to the Center for Equine Health and 0.067 percent shall be distributed to the California Animal Health and Food Safety Laboratory, School of Veterinary Medicine, University of California at Davis. It is the intent of the Legislature that the 0.033 percent of funds distributed to the Center for Equine Health shall supplement, and not supplant, other funding sources.

(c) In addition to the distributions specified in subdivision (a) and (b), for mixed breed meetings, 1 percent of the total amount handled by each satellite wagering facility shall be distributed to an organization described in Section 19608.2 for promotion of the program at satellite wagering facilities. For harness meetings, 0.5 percent of the total amount handled by each satellite wagering facility shall be distributed to an organization described in Section 19608.2 for the promotion of the program at satellite wagering facilities, and 0.5 percent of the total amount handled by each satellite wagering facility shall be distributed according to a written agreement for each race meeting between the licensed racing association and the organization representing the horsemen participating in the meeting. For quarter horse meetings 0.5 percent of the total amount handled by satellite wagering facility on races run in California shall be distributed to an organization described in Section 19608.2 for the promotion of the program at satellite wagering facilities, 0.5 percent of the total amount handled by each satellite wagering facility on out-of-state and out-of-country imported races shall be distributed to the official quarter horse registering agency for the purposes of Section 19617.75, and 0.5 percent of the total amount handled by each satellite wagering facility on all races shall be distributed according to a written agreement for each race meeting between the licensed racing association and the organization representing the horseman participating in the meeting.

(d) Additionally, for thoroughbred, harness, quarter horse, mixed breed, and fair meetings, 0.33 percent of the total amount handled by each satellite wagering facility shall be paid to the city or county in which the satellite wagering facility is located pursuant to Section 19610.3 or 19610.4.

(e) Notwithstanding any other provision of law, a racing association is responsible for the payment of the state license fee as required by this section.

19605.71. The total percentage deducted from wagers at satellite wagering facilities in the central and southern zone shall be distributed as set forth in this section. Amounts deducted by a satellite wagering facility under this section shall be distributed as follows:

Deleted: shall be the same as the percentage deducted from wagers at the racetrack where the racing meeting is being conducted and

(a) For thoroughbred meetings, 2 percent of the amount handled by the satellite wagering facility on conventional and exotic wagers shall be distributed to the racing association for payment to the state as a license fee, 3 percent shall be distributed to the satellite wagering facility as a commission for the right to do business, as a franchise, and this commission is not for the use of any real property, 2.5 percent or the amount of actual operating expenses, as determined by the board, whichever is less, shall be distributed to an organization described in Section 19608.2, and 0.54 percent shall be deposited with the official registering agency pursuant to subdivision (a) of Section 19617.2 and shall thereafter be distributed in accordance with subdivisions (b), (c), and (d) of Section 19617.2, and 0.033 percent shall be distributed to the Center for Equine Health and 0.067 percent shall be distributed to the California Animal Health and Food Safety Laboratory, School of Veterinary Medicine, University of California at Davis. It is the intent of the Legislature that the 0.033 percent of funds distributed to the Center for Equine Health shall supplement, and not supplant, other funding sources.

0.067 percent shall be distributed to the California Animal Health and Food Safety Laboratory, School of Veterinary Medicine, University of California at Davis. It is the intent of the Legislature that the 0.033 percent of funds distributed to the Center for Equine Health shall supplement, and not supplant, other funding sources.

(c) In addition, for Appaloosa and mixed breed meetings, 1 percent shall be distributed to an organization described in Section 19608.2 for promotion of the program at satellite wagering facilities. Notwithstanding any other provision of law, on wagers made in the Counties of Orange and Los Angeles on thoroughbred races conducted in the County of Orange or Los Angeles, or both, excluding the 50th District Agricultural Association, the amount deducted for promotion of the satellite wagering program at satellite wagering facilities shall be 0.5 percent. Any of the promotion funds that are not distributed in the year in which they are collected may be distributed in the following year. If promotion funds distributed in any year exceed the amount collected for that year, the funds distributed in the following year shall be reduced by the excess amount. For harness meetings, 0.5 percent of the total amount handled by each satellite wagering facility shall be distributed to an organization described in Section 19608.2 for the promotion of the program at satellite wagering facilities, and 0.5 percent of the total amount handled by each satellite wagering facility shall be distributed according to a written agreement for each race meeting between the licensed racing association and the organization representing the horsemen participating in the meeting. For quarter horse meetings 0.5 percent of the total amount handled by satellite wagering facility on races run in California shall be distributed to an organization described in Section 19608.2 for the promotion of the program at satellite wagering facilities, 0.5 percent of the total amount handled by each satellite wagering facility on out-of-state and out-of-country imported races shall be distributed to the official quarter horse registering agency for the purposes of Section 19617.75, and 0.5 percent of the total amount handled by each satellite wagering facility on all races shall be distributed according to a written agreement for each race meeting between the licensed racing association and the organization representing the horseman participating in the meeting.

(d) Additionally, for thoroughbred, harness, quarter horse, mixed breed, and fair meetings, 0.33 percent of the total amount handled by the satellite wagering facility shall be paid to the city or county in which the satellite wagering facility is located pursuant to Section 19610.3 or 19610.4.

(e) Notwithstanding any other provision of law, a racing association is responsible for the payment of the state license fee as required by this section.

ADW 2% LOCATION FEES ALSO ADJUSTED TO 3%

19604. Notwithstanding any other provision of law, in addition to parimutuel wagering otherwise authorized by this chapter, advance deposit wagering may be conducted upon approval of the board. The board may authorize any racing association or fair, during the calendar period it is licensed by the board to conduct a live racing

meeting in accordance with the provisions of Article 4 (commencing with Section 19480), to accept advance deposit wagers or to allow these wagers through a betting system or a multijurisdictional wagering hub in accordance with the following:

(a) Racing associations and racing fairs may form a partnership, joint venture, or any other affiliation in order to further the purposes of this section.

(b) As used in this section, "advance deposit wagering" means a form of parimutuel wagering in which a person residing within California or outside of this state establishes an account with a licensee, a board-approved betting system, or a board-approved multijurisdictional wagering hub located within California or outside of this state, and subsequently issues wagering instructions concerning the funds in this account, thereby authorizing the entity holding the account to place wagers on the account owner's behalf. An advance deposit wager may be made only by the entity holding the account pursuant to wagering instructions issued by the owner of the funds communicated by telephone call or through other electronic media. The licensee, a betting system, or a multijurisdictional wagering hub shall ensure the identification of the account's owner by utilizing methods and technologies approved by the board. Further, at the request of the board, any licensee, betting system, or multijurisdictional wagering hub located in California, and any betting system or multijurisdictional wagering hub located outside of this state that accepts wagering instructions concerning races conducted in California or accepts wagering instructions from California residents, shall provide a full accounting and verification of the source of the wagers thereby made, including the zone and breed, in the form of a daily download of parimutuel data to a database designated by the board. Additionally, when the board approves a licensee, a betting system, or a multijurisdictional wagering hub, whether located within California or outside of this state, to accept advance deposit wagering instructions on any race or races from California residents, the licensee, betting system, or multijurisdictional wagering hub may be compensated pursuant to a contractual agreement with a California licensee, in an amount not to exceed 6.5 percent of the amount handled on a race or races conducted in California, and in the case of a race or races conducted in another jurisdiction, may be compensated in an amount not to exceed 6.5 percent, plus a fee to be paid to the host racing association not to exceed 3.5 percent, of the amount handled on that race or races. The amount remaining after the payment of winning wagers and after payment of the contractual compensation and host fee, if any, shall be distributed as a market access fee in accordance with subdivision (g). As used in this section, "market access fee" means the contractual fee paid by a betting system or multijurisdictional wagering hub to the California licensee for access to the California market for wagering purposes. As used in this section, "licensee" means any racing association or fair, or affiliation thereof authorized in subdivision (a).

(c) (1) The board shall develop and adopt rules to license and regulate all phases of operation of advance deposit wagering for licensees, betting systems, and multijurisdictional wagering hubs located in California. Betting systems and multijurisdictional wagering hubs located and operating in California shall be approved by the board prior to establishing advance deposit wagering accounts or accepting wagering instructions concerning those accounts and

shall enter into a written contractual agreement with the bona fide labor organization that has historically represented the same or similar classifications of employees at the nearest horse racing meeting. Permanent state or county employees and nonprofit organizations that have historically performed certain services at county, state, or district fairs may continue to provide those services, notwithstanding this requirement.

(2) The board shall develop and adopt rules and regulations requiring betting systems and multijurisdictional wagering hubs to establish security access policies and safeguards, including, but not limited to, the following:

(A) The betting system or wagering hub shall utilize the services of a board-approved independent third party to perform identity, residence, and age verification services with respect to persons establishing an advance deposit wagering account.

(B) The betting system or wagering hub shall utilize personal identification numbers (PINs) and other technologies to assure that only the accountholder has access to the advance deposit wagering account.

(C) The betting system or wagering hub shall provide for withdrawals from the wagering account only by means of a check made payable to the accountholder and sent to the address of the accountholder or by means of an electronic transfer to an account held by the verified accountholder or the accountholder may withdraw funds from the wagering account at a facility approved by the board by presenting verifiable personal and account identification information.

(D) The betting system or wagering hub shall allow the board access to its premises to visit, investigate, and place expert accountants and other persons it deems necessary for the purpose of ensuring that its rules and regulations concerning credit authorization, account access, and other security provisions are strictly complied with.

(3) The board shall prohibit advance deposit wagering advertising that it determines to be deceptive to the public. The board shall also require, by regulation, that every form of advertising contain a statement that minors are not allowed to open or have access to advance deposit wagering accounts.

(d) As used in this section, a "multijurisdictional wagering hub" is a business conducted in more than one jurisdiction that facilitates parimutuel wagering on races it simulcasts and other races it offers in its wagering menu.

(e) As used in this section, a "betting system" is a business conducted exclusively in this state that facilitates parimutuel wagering on races it simulcasts and other races it offers in its wagering menu.

(f) In order for a licensee, betting system, or multijurisdictional wagering hub to be approved by the board to conduct advance deposit wagering, it shall meet both of the following requirements:

(1) All wagers thereby made shall be included in the appropriate parimutuel pool of the host racing association or fair under a contractual agreement with the applicable California licensee, in accordance with the provisions of this chapter.

(2) The amounts deducted from advance deposit wagers shall be in accordance with the provisions of this chapter.

(g) The amount received as a market access fee from advance

deposit wagers, which shall not be considered for purposes of Section 19616.51, shall be distributed as follows:

(1) An amount equal to 0.0011 multiplied by the amount handled on advance deposit wagers originating in California for each racing meeting shall be distributed to the Center for Equine Health to establish the Kenneth L. Maddy Fund for the benefit of the School of Veterinary Medicine at the University of California at Davis.

(2) An amount equal to 0.0003 multiplied by the amount handled on advance deposit wagers originating in California for each racing meeting shall be distributed to the Department of Industrial Relations to cover costs associated with audits conducted pursuant to Section 19526 and for the purposes of reimbursing the State Mediation and Conciliation Service for costs incurred pursuant to this bill. However, if that amount would exceed the costs of the Department of Industrial Relations, the amount distributed to the department shall be reduced, and that reduction shall be forwarded to an organization designated by the racing association or fair described in subdivision (a) for the purpose of augmenting a compulsive gambling prevention program specifically addressing that problem.

(3) An amount equal to 0.00165 multiplied by the amount handled on advance deposit wagers that originate in California for each racing meeting shall be distributed as follows:

(A) One-half of the amount shall be distributed to supplement the trainer-administered pension plans for backstretch personnel established pursuant to Section 19613. Moneys distributed pursuant to this subparagraph shall supplement, and not supplant, moneys distributed to that fund pursuant to Section 19613 or any other provision of law.

(B) One-half of the amount shall be distributed to the welfare fund established for the benefit of horsemen and backstretch personnel pursuant to subdivision (b) of Section 19641. Moneys distributed pursuant to this subparagraph shall supplement, and not supplant, moneys distributed to that fund pursuant to Section 19641 or any other provision of law.

(4) With respect to wagers on each breed of racing that originate in California, an amount equal to 3 percent of the first two hundred fifty million dollars (\$250,000,000) of handle from all advance deposit wagers originating from within California annually, an amount equal to 2.5 percent of the next two hundred fifty million dollars (\$250,000,000) of handle from all advance deposit wagers originating from within California annually, and an amount equal to 2 percent of handle from all advance deposit wagers originating from within California in excess of five hundred million dollars (\$500,000,000) annually, shall be distributed as satellite wagering commissions. The satellite wagering facility commissions calculated in accordance with this subdivision shall be distributed to each satellite wagering facility and racing association or fair in the zone in which the wager originated in the same relative proportions that the satellite wagering facility or the racing association or fair generated satellite commissions during the previous calendar year. In the event of a reduction in the satellite wagering commissions, pursuant to this section, the benefits therefrom shall be distributed equitably as purses and commissions to all associations and racing fairs generating advance deposit wagers in proportion to the handle generated by those associations and racing fairs. For purposes of this section, the purse funds distributed pursuant to Section

DRAFT-For Internal Use Only
Korby—January 16, 2009

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:
Section 19605.74 is hereby added to the Business and Professions Code:

19605.74 (a) The Legislature finds and declares that the existence of high caliber thoroughbred racing in California is important to this state's agricultural economy and a source of employment for thousands of Californians. The California horse racing industry is being threatened by the potential closure of one or more thoroughbred racing venues with a consequent shortage of facilities at which thoroughbred race horses can race, stable and train. It is the intent of the Legislature to establish a fund to be utilized for the financing of capital improvements, for the acquisition of real property and for the development of infrastructure required for the racing, stabling and training of thoroughbred race horses in Northern California through the redistribution of the parimutuel handle on all exotic wagers made on thoroughbred races and emerging breed races run in the Northern Zone. This section shall be known as the California Racing Infrastructure Development and Economic Stimulus Act of 2009.

(b) Notwithstanding Section 19610, every thoroughbred association or fair that conducts a racing meet in the Northern Zone shall deduct an additional amount not to exceed two percent of the total amount handled in all parimutuel pools of exotic wagers on thoroughbred races or on emerging breed races at fairs to be used for the purposes set out in subdivision (a). The amount initially deducted and distributed pursuant to this section shall be two percent of the total amount handled in all parimutuel pools of exotic wagers on thoroughbred races or emerging breed races at Fairs run in the Northern Zone, but that allocation may be adjusted by the board, except that any adjustment by the board shall ensure funds sufficient to meet the intent of subdivisions (f)(3) and (f)(4) herein. In any event, however, the adjusted amount may not exceed two percent of the amount handled in all parimutuel pools of exotic wagers on thoroughbred races or emerging breed races run in the Northern zone, to finance capital improvements, to acquire real property or to develop infrastructure required for the racing, stabling and training of thoroughbred race horses in the Northern Zone.

Comment [CC1]: Language modified from 19607 ff, the sections that set up the Stabling Funds North and South. Suggesting that the mechanism we use for adjusting the percentage be analogous to that already set out in 19607 for the Stabling Funds.

(c) The funds collected pursuant to subdivision (b) from all parimutuel pools on exotic wagers on thoroughbred races or emerging breed races at fairs arising out of wagering activities within the inclosure of a thoroughbred association or fair conducting a race meeting, at all satellite wagering facilities within this state, and through advance deposit wagering by residents of this state, shall be distributed to the organization described in subdivision (e) to be used in accordance with subdivision (f).

(d) Any thoroughbred association or fair that authorizes a betting system located outside of this state to accept wagers on its races and to combine those wagers in the association's or fair's exotic wagers parimutuel pools, including, but not limited to, a multijurisdictional wagering hub as to wagers made by residents other than those of this state, shall deduct the amount specified in subdivision (b) in addition to any other

applicable deductions specified in law. The amount deducted pursuant to this subdivision shall be distributed to the organization described in subdivision (e) to be used in accordance with subdivision (f). This additional deduction shall not be included in the amount on which license fees are determined pursuant to Section 19602 or Section 19616.51.

(e) The organization shall be the California Authority of Racing Fairs, or its successor, a joint powers agency formed pursuant to Chapter 5 of Division 7 of Title 1 of the Government Code. The organization shall account annually to the California Horse Racing Board with respect to the expenditure and distribution of funds received by the organization pursuant to subdivisions (c) and (d), and shall obtain an independent audit of fund generation and distribution. A copy of the completed audit shall be forwarded to the California Horse Racing Board within 45 days of its receipt by the organization.

(f) (1) The amount distributed to the organization described in subdivision (e) shall be deposited by that organization in separate accounts and such funds and any interest thereon shall be expended for the financing of such capital improvements as are deemed necessary and appropriate in the Northern zone by the organization described in Section 19607.2 to provide adequate stabling training and related facilities for thoroughbred horse racing in the Northern zone

Comment [CC2]: Decision on allocations made by Northern Stabling and Vanning Committee.

Comment [CC3]: Northern Stabling and Vanning Committee

(f) (2) Any financing plan or proposal shall be submitted to and approved by the organization described in subdivision (e) prior to any expenditure of funds, pursuant to this subsection. However, such approval may be withheld solely on the basis that funds generated pursuant to subdivision (b) are not sufficient for repayment of debt to finance the improvements determined by the joint resolution described in this subdivision.

Comment [CC4]: INTENT: The JPA may deny improvements recommended by Northern Stabling Committee ONLY IF the revenue is not sufficient to service the debt. The decision-making authority to determine actual, specific improvements is vested in the Northern Stabling Committee.

(f) (3) Such approval by such organization may provide for the payment of such amounts to one or more joint powers agencies for the repayment of the principal of, interest on, and costs of issuance of, and as security, including any coverage factor, pledged to the payment of, bonds issued or to be issued by such joint powers agency or other debt service or expense, including repayment of any advances made or security required by any provider of credit enhancement or liquidity for those bonds or other indebtedness or expenses of maintaining that credit enhancement or liquidity, incurred for the purpose of constructing or acquiring improvements or the purchase of real property to provide adequate facilities for racing, stabling and training thoroughbred race horses at fairgrounds in the Northern Zone or for the purpose of refunding bonds or other indebtedness incurred for those purposes.

(f) (4) As used in this subsection (f) "coverage factor" means revenues in excess of the amount necessary to pay debt service on the bonds or other indebtedness, up to an amount equal to 100 per cent more than the amount of that debt service, which such joint powers agency, pursuant to the resolution of indenture under which the bonds or other indebtedness are or will be issued, pledges as additional security for the payment of that debt service or as is required to have or maintain as a condition to the issuance of additional bonds or other indebtedness.

(g) It is the intent of the Legislature in enacting this section to provide the revenues necessary for the financing by one or more joint powers agencies of the facilities and improvements described in subparagraph (f)(1) and (f)(3) of this section all of which shall be deemed to be public capital improvements within the meaning of Article 4 (commencing with section 6584) of Chapter 5 of Division 7 of Title 1 of the Government Code. Payments described in paragraph (f)(1) of this section shall continue through whatever period of time is necessary to repay any borrowings of joint powers funding mechanism, including, but not limited to, retirement of bonded indebtedness, loan repayments, and monthly payments involving lease-purchase programs made by a joint powers agency to finance the improvements referenced in subparagraph (f)(1) of this section.

(h) The State of California does hereby pledge to the holders of any bonds or other indebtedness, and with those joint powers agencies which may enter into agreements with fairs or other third parties or authorize bonds or other indebtedness to be issued, in reliance on the allocations set forth in this section, that the State will not alter or change the structure of funding and deposits set forth in, or the pledge of funds for debt service, security, including any coverage factors, and expenses, pursuant to this section until the bonds and other indebtedness are fully paid or discharged. However nothing precludes any alteration or change, if and when, adequate provision has been made by law for the payment of debt service on the bonds and other indebtedness, and the right to so alter or change is hereby reserved. Joint powers agencies may include this pledge and undertaking of the State in the bonds or agreements evidencing other indebtedness.

(i) The approval described in (f)(3) shall provide for the disbursement to the organization described in Section 19607.2 of any funds over and above those necessary to accomplish the financing of improvements referred to subsection (f)(1) and (f)(3) including any required coverage factor and reserves. The organization described in Section 19607.2 shall thereafter annually disburse the total amount so received solely for any or all of the following purposes: the amount, if any, required to insure that stabling and vanning funds provided for in section 19607.1 of this code are sufficient to cover the expenses of vanning and stabling in the northern zone; and alternatively or additionally; to pay down the principal on any bonded indebtedness incurred to provide and maintain adequate racing, stabling and training facilities, including the purchase of real property, in the northern zone, and, additionally or alternately, to supplement thoroughbred purses paid in the northern zone; to promote and market thoroughbred racing in the northern zone, which purpose may include supplemental additions to parimutuel pools in order to promote racing events in the northern zone.

Section 19606.1 is amended as follows:

Formatted: Font: (Default) Times New Roman, 12 pt

19606.1. (a) Except as otherwise provided in Section 19606.3, all revenues distributed to the state as license fees from satellite wagering facilities shall be deposited in a separate account in the fund and, notwithstanding Section 13340 of the Government Code, are continuously appropriated from that account to the Department of Food

and Agriculture, for allocation by the Secretary of Food and Agriculture, at his or her discretion, for the purposes set forth in paragraphs (1) to (6), inclusive. The concurrence of the Director of Finance shall be required for allocations pursuant to paragraphs (1) and (2). Allocations pursuant to paragraphs (3) to (6), inclusive, shall be made with the concurrence of the Joint Committee on Fairs Allocation and Classification.

(1) For the repayment of the principal of, interest on, and costs of issuance of, and as security, including any coverage factor, pledged to the payment of, bonds issued or to be issued by a joint powers agency or other debt service or expense, including repayment of any advances made or security required by any provider of credit enhancement or liquidity for those bonds or other indebtedness or expenses of maintaining that credit enhancement or liquidity, incurred for the purpose of constructing or acquiring improvements at a fair's racetrack inclosure, a fair's race track grandstand, a fair's race track surface, a fair's race track barn and stable area, satellite wagering facilities at fairs, health and safety repair projects, or handicapped access compliance projects at fairs or for the purpose of refunding bonds or other indebtedness incurred for those purposes. As used in this paragraph, "coverage factor" means revenues in excess of the amount necessary to pay debt service on the bonds or other indebtedness, up to an amount equal to 100 percent more than the amount of that debt service, which a joint powers agency, pursuant to the resolution or indenture under which the bonds or other indebtedness are or will be issued, pledges as additional security for the payment of that debt service or is required to have or maintain as a condition to the issuance of additional bonds or other indebtedness. Notwithstanding any other provision of law, the department may also commit any funds available for allocation under Article 10 (commencing with Section 19620) to complete projects funded under this paragraph in the priority described in this paragraph.

(2) For payment to the State Race Track Leasing Commission to be pledged for the repayment of debt necessary to construct a racetrack grandstand at the 22nd District Agricultural Association fairgrounds. This payment shall be made only if the Secretary of Food and Agriculture determines, annually, that all other pledged revenues have been applied to the repayment of that debt and have been determined by the secretary to be inadequate for that purpose.

(3) For the payment of expenses incurred in establishing and operating satellite wagering facilities at fairs.

(4) For the support of an equipment and operating fund to produce and display a consolidated California signal at satellite wagering facilities and fairs.

(5) For health and safety repair projects at fairs, which includes fire and life safety improvement projects, California Code of

Regulations compliance projects, and long-term deferred maintenance projects.

(6) For the development and payment of revenue generating projects, the establishment of pilot projects to restructure the current fair system, and for projects realizing a cost savings for more efficient utilization of existing fair resources.

(b) The Secretary of Food and Agriculture may not make an allocation for purposes of paragraphs (2) to (6), inclusive, of subdivision (a) until the payments required in any fiscal year pursuant to paragraph (1) of subdivision (a) have been funded.

(c) Pursuant to subdivision (a), the Joint Committee on Fairs Allocation and Classification shall review and concur, or not concur, with the secretary's determination of the allocations to be made pursuant to paragraphs (3) to (6), inclusive, of subdivision (a) in total, and the committee may not add to, or delete projects or line items from, the proposed allocations.

(d) Approval of the Joint Committee on Fairs Allocation and Classification is deemed complete when one of the following conditions is met:

(1) The annual budget act is enacted.

(2) If the secretary's recommendations are received by the Joint Committee on Fairs Allocation and Classification after the enactment of the annual budget act, the recommendations shall be deemed approved 30 days after they are received unless they are rejected by the committee.

(e) If the Joint Committee on Fairs Allocation and Classification does not concur with the secretary's recommendations, the secretary may submit another set of recommendations to the committee pursuant to this section.

(f) The payments required in any fiscal year for the purposes of paragraphs (1) to (3), inclusive, of subdivision (a) shall be made before any transfer is made pursuant to subdivision (g).

(g) Except as otherwise provided in subdivision (f), when the revenues deposited in the separate account exceed eleven million dollars (\$11,000,000) in any fiscal year, 98 percent of the amount in excess of eleven million dollars (\$11,000,000) shall be transferred to the Fair and Exposition Fund for allocation in accordance with Sections 19620.1 and 19630.

(h) All of the costs of administering the accounts created by subdivision (a) and Section 19606.3 shall be charged to the respective accounts.

On page 1, before line 1, insert:

SECTION 1. Section 19606.1 of the Business and Professions Code is amended to read:

19606.1. (a) ~~Except as otherwise provided in Section 19606.3, all revenues distributed to the state as license fees from satellite wagering facilities~~ All revenues transferred pursuant to Section 19620.2 shall be deposited in a separate account in the fund and, notwithstanding Section 13340 of the Government Code, are continuously appropriated from that account to the Department of Food and Agriculture, for allocation by the Secretary of Food and Agriculture, at his or her discretion, for the purposes set forth in paragraphs (1) to (6), inclusive. The concurrence of the Director of Finance shall be required for allocations pursuant to paragraphs (1) and (2). Allocations pursuant to paragraphs (3) to (6), inclusive, shall be made with the concurrence of the Joint Committee on Fairs Allocation and Classification.

(1) For the repayment of the principal of, interest on, and costs of issuance of, and as security, including any coverage factor, pledged to the payment of, bonds issued or to be issued by a joint powers agency or other debt service or expense, including repayment of any advances made or security required by any provider of credit enhancement or liquidity for those bonds or other indebtedness or expenses of maintaining that credit enhancement or liquidity, incurred for the purpose of constructing or acquiring improvements at a fair's racetrack inclosure, satellite wagering facilities at fairs, health and safety repair projects, or handicapped access compliance projects

at fairs or for the purpose of refunding bonds or other indebtedness incurred for those purposes. As used in this paragraph, "coverage factor" means revenues in excess of the amount necessary to pay debt service on the bonds or other indebtedness, up to an amount equal to 100 percent more than the amount of that debt service, which a joint powers agency, pursuant to the resolution or indenture under which the bonds or other indebtedness are or will be issued, pledges as additional security for the payment of that debt service or is required to have or maintain as a condition to the issuance of additional bonds or other indebtedness. Notwithstanding any other provision of law, the department may also commit any funds available for allocation under Article 10 (commencing with Section 19620) to complete projects funded under this paragraph in the priority described in this paragraph.

(2) For payment to the State Race Track Leasing Commission to be pledged for the repayment of debt necessary to construct a racetrack grandstand at the 22nd District Agricultural Association fairgrounds. This payment shall be made only if the Secretary of Food and Agriculture determines, annually, that all other pledged revenues have been applied to the repayment of that debt and have been determined by the secretary to be inadequate for that purpose.

(3) For the payment of expenses incurred in establishing and operating satellite wagering facilities at fairs.

(4) For the support of an equipment and operating fund to produce and display a consolidated California signal at satellite wagering facilities and fairs.

(5) For health and safety repair projects at fairs, which includes fire and life safety improvement projects, California Code of Regulations compliance projects, and long-term deferred maintenance projects.

(6) For the development and payment of revenue generating projects, the establishment of pilot projects to restructure the current fair system, and for projects realizing a cost savings for more efficient utilization of existing fair resources.

(b) The Secretary of Food and Agriculture may not make an allocation for purposes of paragraphs (2) to (6), inclusive, of subdivision (a) until the payments required in any fiscal year pursuant to paragraph (1) of subdivision (a) have been funded.

(c) Pursuant to subdivision (a), the Joint Committee on Fairs Allocation and Classification shall review and concur, or not concur, with the secretary's determination of the allocations to be made pursuant to paragraphs (3) to (6), inclusive, of subdivision (a) in total, and the committee may not add to, or delete projects or line items from, the proposed allocations.

(d) Approval of the Joint Committee on Fairs Allocation and Classification is deemed complete when one of the following conditions is met:

(1) The annual budget act is enacted.

(2) If the secretary's recommendations are received by the Joint Committee on Fairs Allocation and Classification after the enactment of the annual budget act, the recommendations shall be deemed approved 30 days after they are received unless they are rejected by the committee.

(e) If the Joint Committee on Fairs Allocation and Classification does not concur with the secretary's recommendations, the secretary may submit another set of recommendations to the committee pursuant to this section.

(f) The payments required in any fiscal year for the purposes of paragraphs (1) to (3), inclusive, of subdivision (a) shall be made before any transfer is made pursuant to subdivision (g).

(g) Except as otherwise provided in subdivision (f), when the revenues deposited in the separate account exceed eleven million dollars (\$11,000,000) in any fiscal year, 98 percent of the amount in excess of eleven million dollars (\$11,000,000) shall be transferred to the Fair and Exposition Fund for allocation in accordance with Sections 19620.1 and 19630.

(h) All of the costs of administering the accounts created by subdivision (a) and Section 19606.3 shall be charged to the respective accounts.

SEC. 2. Section 19606.3 of the Business and Professions Code is amended to read:

19606.3. The first one million one hundred thousand dollars (\$1,100,000) of all revenues distributed to racing associations for payment to the state as license fees funds for distribution as purses generated at satellite wagering facilities statewide from wagering on thoroughbred horse racing shall be deposited in a special account in the fund and, notwithstanding Section 13340 of the Government Code, are hereby continuously appropriated to the Department of Food and Agriculture for supplementing purses at fair meetings to achieve the purposes of Section 19606.4.

SEC. 3. Section 19616.51 of the Business and Professions Code is repealed.

~~19616.51. Notwithstanding any other provision of law, if the total amount paid to the state as license fees by racing associations and fairs pursuant to this chapter is less than forty million dollars (\$40,000,000) in any calendar year, beginning January 1, 2001, and thereafter, all associations and fairs that conducted live racing during the year of the shortfall shall remit to the state, on a pro rata basis according to the amount paid as license fees by each association or fair, the amount necessary to bring the total amount paid to the state as license fees to forty million dollars (\$40,000,000). The amounts due under this section, if any, shall be paid from the amount available for commissions, purses, and breeder awards, and shall be paid to the board prior to March 1 of the year following the year of the shortfall.~~

SEC. 4. Section 19616.51 is added to the Business and Professions Code, to read:

19616.51. (a) Notwithstanding any other provision of law, and in lieu of any license fee payable to the state prescribed for or referred to in Section 19491, 19491.5, 19596.3, 19601, 19601.2, 19602, 19603, 19604, 19605.25, 19605.35, 19605.45, 19605.6, 19605.7, 19605.71, 19606.5, 19606.6, 19610.8, 19611, 19612, 19614, 19616, 19616.1, 19616.2, or 19641, any association or fair that conducts a racing meeting shall only pay a license fee to the state to fund the board and the equine drug testing program as follows:

(1) All racing associations and fairs including all breeds of racing shall participate in the funding of the board in accordance with a formula devised by the board in consultation with the industry.

(2) The baseline funding for the board and equine drug testing program in the first fiscal year after the enactment of this section shall be the amount approved in the 2008–09 Budget Act.

(3) Adjustments to the funding in subsequent budget years may only be made by an act of the Legislature.

(b) The license fee reductions resulting from subdivision (a), after payments to fund the board and the equine drug testing program, shall be distributed as follows:

(1) For thoroughbred racing only, 3 percent of the amount of the reduction shall be deposited with the official registering agency pursuant to subdivision (a) of Section 19617.2, and shall thereafter be distributed in accordance with subdivisions (b), (c), and (d) of Section 19617.2. The remaining amount shall be distributed to the association that conducts the racing meeting and to horsemen participating in that racing meeting as follows:

(A) Fifty percent to the association as commissions.

(B) Fifty percent to the horsemen as purses.

(2) For quarter horse racing, 2.5 percent of the amount of the reduction shall be deposited with the official registering agency pursuant to subdivision (b) of Section 19617.7, and shall thereafter be distributed in accordance with subdivisions (c), (d), (e), and (f) of Section 19617.7, the remaining amount shall be distributed to the association that conducts the racing meeting and to horsemen participating in that racing meeting as follows:

(A) Fifty percent to the association as commissions.

(B) Fifty percent to the horsemen as purses.

(3) For harness racing, 6 percent of the amount of the reduction shall be distributed as specified in Section 19617.6, the remaining amount shall be distributed to the association that conducts the racing meeting and to horsemen participating in that racing meeting as follows:

(A) Fifty percent to the association as commissions.

(B) Fifty percent to the horsemen as purses.

(4) For all other breeds, the remaining amount shall be distributed to the association that conducts the racing meeting and to horsemen participating in that racing meeting as follows:

(A) Fifty percent to the association as commissions.

(B) Fifty percent to the horsemen as purses.

SEC. 5. Section 19620.1 of the Business and Professions Code is amended to read:

19620.1. (a) From the total revenue received by the board, including revenues transferred from the Satellite Wagering Account pursuant to subdivision (g) of Section 19606.1, but excluding money received pursuant to Sections 19640 and 19641, the sum of two hundred sixty-five thousand dollars (\$265,000) plus an amount equal to $\frac{63}{100}$ of 1 percent of the gross amount of money handled in the annual parimutuel pool generated within this state, or the maximum amount received by the state from the parimutuel pool of a racing meeting held in this state, whichever is less, shall be paid into the State Treasury to the credit of the Fair and Exposition Fund. ~~If the revenues paid into the Fair and Exposition Fund under this section are in excess of thirteen million dollars (\$13,000,000) in any fiscal year, one-half of the amount in excess of the thirteen million dollars (\$13,000,000) shall be transferred to the General Fund.~~

(b) From the total revenue received by the board, exclusive of money received pursuant to Sections 19640 and 19641, and in addition to the funds paid into the State Treasury to the credit of the Fair and Exposition Fund as specified in subdivision (a), the Legislature shall annually appropriate and the board shall deposit to the credit of

the Fair and Exposition Fund, such sums as it deems necessary for the following purposes:

(1) For the support of the board, including any costs and expenses incurred by the Attorney General in the enforcement of this chapter as shall be authorized by the board, including, compensation including any fringe benefits paid to stewards and to the official veterinarian, and an amount not less than the amount expended in the 1994-95 fiscal year for the costs of laboratory testing related to horse racing pursuant to Section 19580.

(2) To the Department of Food and Agriculture for the oversight of the network of California fairs receiving money from the fund.

(3) To the Department of Food and Agriculture for the contributions, or the cost of benefits in lieu of contributions, payable to the Unemployment Fund by the network of California fairs receiving funds pursuant to this article, as a result of unemployment insurance coverage pursuant to Section 605 of the Unemployment Insurance Code.

(4) To the Department of Food and Agriculture for the auditing of all district agricultural association fairs, county fairs, and citrus fruit fairs.

SEC. 6. Section 19620.2 is added to the Business and Professions Code, to read:

19620.2. Notwithstanding any other provision of law, on July 1, 2009, and on each July 1 thereafter, 32 million dollars (\$32,000,000) shall be transferred from the General Fund and paid into the State Treasury to the credit of the separate account of the Fair and Exposition Fund specified in Section 19606.1 and shall be continuously appropriated for allocation as specified in that section and Section 19620.1 only for the financial support of the network of California fairs.

SEC. 7. This act shall become effective on July 1, 2009.

Senate Bill No. 16

CHAPTER 12

An act to amend Sections 19606.1, 19606.3, and 19620.1 of, to add Section 19620.2 to, and to repeal and add Section 19616.51 of, the Business and Professions Code, relating to horse racing, and making an appropriation therefor.

[Approved by Governor February 20, 2009. Filed with
Secretary of State February 20, 2009.]

LEGISLATIVE COUNSEL'S DIGEST

SB 16, Ashburn. Horse racing: license fees.

Existing law, the Horse Racing Law, provides that if the total amount paid to the state as license fees by racing associations and fairs is less than \$40,000,000 in any calendar year, all associations and fairs that conducted live racing during the year of the shortfall shall remit to the state, on a pro rata basis according to the amount paid as license fees by each association or fair, the amount necessary to bring the total amount paid to the state as license fees to \$40,000,000.

This bill would delete those provisions and instead provide that, notwithstanding any other provision of law and in lieu of any license fee payable to the state prescribed for or referred to in specified provisions of the Horse Racing Law, any association or fair that conducts a racing meeting shall pay a license fee to fund the California Horse Racing Board and the equine drug testing program in accordance with a formula devised by the board in consultation with the industry, as provided. The bill would provide that the license fee reductions resulting from these provisions, after payments to fund the board and the equine drug testing program, shall be distributed as specified for thoroughbred racing, quarter horse racing, harness racing, and all other breeds.

Existing law provides that revenues from satellite wagering are deposited in a separate account in the Fair and Exposition Fund and that, if those revenues exceed \$11,000,000 in a fiscal year, 98 percent of the excess is transferred to the Fair and Exposition Fund for specified allocations. Existing law also provides that, after the Fair and Exposition Fund receives more than \$13,000,000 in a fiscal year, half of the excess is transferred to the General Fund.

This bill would require, on July 1, 2009, and each July 1 thereafter, the transfer of \$32,000,000 from the General Fund to be paid into the State Treasury to the credit of the separate account of the Fair and Exposition Fund created for satellite wagering revenues, and would continuously appropriate those moneys for allocation for the financial support of the network of California fairs. The bill would require that all of the amount in

excess of \$11,000,000 be transferred to the Fair and Exposition Fund for allocation as specified in existing law, except that no part of this transferred money would be further transferred to the General Fund.

Existing law requires the first \$1,100,000 of all revenues distributed to racing associations for payment to the state as license fees to be deposited in a special account in the Fair and Exposition Fund and continuously appropriated to the Department of Food and Agriculture for supplementing purses at fair meetings to achieve certain specified purposes.

This bill would instead require the first \$1,100,000 of all funds for distribution as purses generated at satellite wagering facilities statewide from wagering on thoroughbred horse racing to be deposited in that special account for those purposes.

Under existing law, revenues distributed to the state as license fees from horse racing are required to be deposited in the Fair and Exposition Fund and are continuously appropriated to the Department of Food and Agriculture for various regulatory and general governmental purposes.

Because this bill would require that General Fund moneys be deposited into, and distributed from, that fund, the bill would make an appropriation.

This bill would become effective on July 1, 2009.

Appropriation: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 19606.1 of the Business and Professions Code is amended to read:

19606.1. (a) All revenues transferred pursuant to Section 19620.2 shall be deposited in a separate account in the fund and, notwithstanding Section 13340 of the Government Code, are continuously appropriated from that account to the Department of Food and Agriculture, for allocation by the Secretary of Food and Agriculture, at his or her discretion, for the purposes set forth in paragraphs (1) to (6), inclusive. The concurrence of the Director of Finance shall be required for allocations pursuant to paragraphs (1) and (2). Allocations pursuant to paragraphs (3) to (6), inclusive, shall be made with the concurrence of the Joint Committee on Fairs Allocation and Classification.

(1) For the repayment of the principal of, interest on, and costs of issuance of, and as security, including any coverage factor, pledged to the payment of, bonds issued or to be issued by a joint powers agency or other debt service or expense, including repayment of any advances made or security required by any provider of credit enhancement or liquidity for those bonds or other indebtedness or expenses of maintaining that credit enhancement or liquidity, incurred for the purpose of constructing or acquiring improvements at a fair's racetrack inclosure, satellite wagering facilities at fairs, health and safety repair projects, or handicapped access compliance projects at fairs or for the purpose of refunding bonds or other indebtedness incurred for those purposes. As used in this paragraph, "coverage factor"

means revenues in excess of the amount necessary to pay debt service on the bonds or other indebtedness, up to an amount equal to 100 percent more than the amount of that debt service, which a joint powers agency, pursuant to the resolution or indenture under which the bonds or other indebtedness are or will be issued, pledges as additional security for the payment of that debt service or is required to have or maintain as a condition to the issuance of additional bonds or other indebtedness. Notwithstanding any other provision of law, the department may also commit any funds available for allocation under Article 10 (commencing with Section 19620) to complete projects funded under this paragraph in the priority described in this paragraph.

(2) For payment to the State Race Track Leasing Commission to be pledged for the repayment of debt necessary to construct a racetrack grandstand at the 22nd District Agricultural Association fairgrounds. This payment shall be made only if the Secretary of Food and Agriculture determines, annually, that all other pledged revenues have been applied to the repayment of that debt and have been determined by the secretary to be inadequate for that purpose.

(3) For the payment of expenses incurred in establishing and operating satellite wagering facilities at fairs.

(4) For the support of an equipment and operating fund to produce and display a consolidated California signal at satellite wagering facilities and fairs.

(5) For health and safety repair projects at fairs, which includes fire and life safety improvement projects, California Code of Regulations compliance projects, and long-term deferred maintenance projects.

(6) For the development and payment of revenue generating projects, the establishment of pilot projects to restructure the current fair system, and for projects realizing a cost savings for more efficient utilization of existing fair resources.

(b) The Secretary of Food and Agriculture may not make an allocation for purposes of paragraphs (2) to (6), inclusive, of subdivision (a) until the payments required in any fiscal year pursuant to paragraph (1) of subdivision (a) have been funded.

(c) Pursuant to subdivision (a), the Joint Committee on Fairs Allocation and Classification shall review and concur, or not concur, with the secretary's determination of the allocations to be made pursuant to paragraphs (3) to (6), inclusive, of subdivision (a) in total, and the committee may not add to, or delete projects or line items from, the proposed allocations.

(d) Approval of the Joint Committee on Fairs Allocation and Classification is deemed complete when one of the following conditions is met:

(1) The annual budget act is enacted.

(2) If the secretary's recommendations are received by the Joint Committee on Fairs Allocation and Classification after the enactment of the annual budget act, the recommendations shall be deemed approved 30 days after they are received unless they are rejected by the committee.

(e) If the Joint Committee on Fairs Allocation and Classification does not concur with the secretary's recommendations, the secretary may submit another set of recommendations to the committee pursuant to this section.

(f) The payments required in any fiscal year for the purposes of paragraphs (1) to (3), inclusive, of subdivision (a) shall be made before any transfer is made pursuant to subdivision (g).

(g) Except as otherwise provided in subdivision (f), when the revenues deposited in the separate account exceed eleven million dollars (\$11,000,000) in any fiscal year, the amount in excess of eleven million dollars (\$11,000,000) shall be transferred to the Fair and Exposition Fund for allocation in accordance with Sections 19620.1 and 19630.

(h) All of the costs of administering the accounts created by subdivision (a) and Section 19606.3 shall be charged to the respective accounts.

SEC. 2. Section 19606.3 of the Business and Professions Code is amended to read:

19606.3. The first one million one hundred thousand dollars (\$1,100,000) of all funds for distribution as purses generated at satellite wagering facilities statewide from wagering on thoroughbred horse racing shall be deposited in a special account in the fund and, notwithstanding Section 13340 of the Government Code, are hereby continuously appropriated to the Department of Food and Agriculture for supplementing purses at fair meetings to achieve the purposes of Section 19606.4.

SEC. 3. Section 19616.51 of the Business and Professions Code is repealed.

SEC. 4. Section 19616.51 is added to the Business and Professions Code, to read:

19616.51. (a) Notwithstanding any other provision of law, and in lieu of any license fee payable to the state prescribed for or referred to in Section 19491, 19491.5, 19596.3, 19601, 19601.2, 19602, 19603, 19604, 19605.25, 19605.35, 19605.45, 19605.6, 19605.7, 19605.71, 19606.5, 19606.6, 19610.8, 19611, 19612, 19614, 19616, 19616.1, 19616.2, or 19641, any association or fair that conducts a racing meeting shall only pay a license fee to the state to fund the board and the equine drug testing program as follows:

(1) All racing associations and fairs including all breeds of racing shall participate in the funding of the board in accordance with a formula devised by the board in consultation with the industry.

(2) The baseline funding for the board and equine drug testing program in the first fiscal year after the enactment of this section shall be the amount approved in the 2008–09 Budget Act.

(3) Adjustments to the funding in subsequent budget years may only be made by an act of the Legislature.

(b) The license fee reductions resulting from subdivision (a), after payments to fund the board and the equine drug testing program, shall be distributed as follows:

(1) For thoroughbred racing only, 3 percent of the amount of the reduction shall be deposited with the official registering agency pursuant to subdivision

(a) of Section 19617.2, and shall thereafter be distributed in accordance with subdivisions (b), (c), and (d) of Section 19617.2. The remaining amount shall be distributed to the association that conducts the racing meeting and to horsemen participating in that racing meeting as follows:

(A) Fifty percent to the association as commissions.

(B) Fifty percent to the horsemen as purses.

(2) For quarter horse racing, 2.5 percent of the amount of the reduction shall be deposited with the official registering agency pursuant to subdivision (b) of Section 19617.7, and shall thereafter be distributed in accordance with subdivisions (c), (d), (e), and (f) of Section 19617.7, the remaining amount shall be distributed to the association that conducts the racing meeting and to horsemen participating in that racing meeting as follows:

(A) Fifty percent to the association as commissions.

(B) Fifty percent to the horsemen as purses.

(3) For harness racing, 6 percent of the amount of the reduction shall be distributed as specified in Section 19617.6, the remaining amount shall be distributed to the association that conducts the racing meeting and to horsemen participating in that racing meeting as follows:

(A) Fifty percent to the association as commissions.

(B) Fifty percent to the horsemen as purses.

(4) For all other breeds, the remaining amount shall be distributed to the association that conducts the racing meeting and to horsemen participating in that racing meeting as follows:

(A) Fifty percent to the association as commissions.

(B) Fifty percent to the horsemen as purses.

SEC. 5. Section 19620.1 of the Business and Professions Code is amended to read:

19620.1. (a) From the total revenue received by the board, including revenues transferred from the Satellite Wagering Account pursuant to subdivision (g) of Section 19606.1, but excluding money received pursuant to Sections 19640 and 19641, the sum of two hundred sixty-five thousand dollars (\$265,000) plus an amount equal to $\frac{63}{100}$ of 1 percent of the gross amount of money handled in the annual parimutuel pool generated within this state, or the maximum amount received by the state from the parimutuel pool of a racing meeting held in this state, whichever is less, shall be paid into the State Treasury to the credit of the Fair and Exposition Fund.

(b) From the total revenue received by the board, exclusive of money received pursuant to Sections 19640 and 19641, and in addition to the funds paid into the State Treasury to the credit of the Fair and Exposition Fund as specified in subdivision (a), the Legislature shall annually appropriate and the board shall deposit to the credit of the Fair and Exposition Fund, such sums as it deems necessary for the following purposes:

(1) For the support of the board, including any costs and expenses incurred by the Attorney General in the enforcement of this chapter as shall be authorized by the board, including, compensation including any fringe benefits paid to stewards and to the official veterinarian, and an amount not

less than the amount expended in the 1994–95 fiscal year for the costs of laboratory testing related to horse racing pursuant to Section 19580.

(2) To the Department of Food and Agriculture for the oversight of the network of California fairs receiving money from the fund.

(3) To the Department of Food and Agriculture for the contributions, or the cost of benefits in lieu of contributions, payable to the Unemployment Fund by the network of California fairs receiving funds pursuant to this article, as a result of unemployment insurance coverage pursuant to Section 605 of the Unemployment Insurance Code.

(4) To the Department of Food and Agriculture for the auditing of all district agricultural association fairs, county fairs, and citrus fruit fairs.

SEC. 6. Section 19620.2 is added to the Business and Professions Code, to read:

19620.2. Notwithstanding any other provision of law, on July 1, 2009, and on each July 1 thereafter, 32 million dollars (\$32,000,000) shall be transferred from the General Fund and paid into the State Treasury to the credit of the separate account of the Fair and Exposition Fund specified in Section 19606.1 and shall be continuously appropriated for allocation as specified in that section and Section 19620.1 only for the financial support of the network of California fairs.

SEC. 7. This act shall become effective on July 1, 2009.

NBA unveils plans for Kings arena at Cal Expo

tbizjak@sacbee.com

Published Saturday, Feb. 28, 2009

National Basketball Association officials laid out a sparkling vision for Cal Expo on Friday with artists' drawings of an imposing basketball arena, fairground Ferris wheels and scores of town houses, shops and restaurants on teeming, pedestrian-packed streets.

The vision, however, is still way short on details on how to make the multibillion-dollar project pencil out, and who would pay what share, they admitted.

The presentation, nearly two years in the making, was good enough, however, to win a thumbs up from the Sacramento Kings, who are desperate for an arena that can make more money.

It also won a quick go-ahead from Cal Expo officials eager to reinvent their faded fairgrounds. "This project far exceeds our wildest expectations of how Cal Expo could be," Cal Expo board member Rex Hime said.

The Cal Expo board authorized its staff Friday to begin a national search for a developer to partner with Cal Expo and the NBA on what would be a massive, 25-year building project, starting with an arena and modern fairgrounds at the eastern edge of the property, where the racetrack now stands.

Several board members balked at the vote, complaining they and the public only saw the plan and its complex financial analysis that afternoon.

"We're so much better than this," member Marko Mlikotin lamented.

Kings officials expressed appreciation in a statement issued by their publicist.

"We are encouraged by the NBA's presentation on the potential for a new arena in Sacramento," the statement read. "We look forward to receiving more details as plans develop.

"We have always been supportive and appreciative of the league's efforts and the process to find a solution that works in Sacramento."

The first phase of the plan calls for tearing down the eastern third of the Cal Expo site, then constructing an arena, hotel, parking garages, some retail, and a huge new Expo Center building that would serve year-round as a meeting hall, and for sports events, car and boat shows, livestock shows and other events, including exhibits during the annual State Fair.

Far more constrained than the current sprawling Cal Expo and fairgrounds, it would contain an open space for a midway and a farm and agriculture center.

Plans for the entire 350-acre project call for offices, housing and retail centers at the west end, to be built in phases through 2036.

The arena and new Expo Center may be completed by 2013, consultants said, but NBA representatives said that timing is uncertain, given the down real estate market.

Also uncertain are details on how to finance the arena. A consultant's report puts the construction costs of the arena and Expo Center at \$500million to \$600million, but does not list all costs involved in planning, land preparation and entitlements for the arena, nor does it break out any costs for the arena alone. NBA representatives declined to offer any estimate of the arena cost alone.

The NBA said its plan is to seek funds from three sources.

The NBA and Cal Expo will ask a private developer to pay a substantial share.

The Kings ownership has been asked to kick in an undisclosed amount, John Moag, the NBA's point man on the project said.

The third revenue source is expected to be possessory interest taxes, similar to property taxes, that would be generated in increasing amounts over the years on the Cal Expo site as the land values go up.

Moag said on Friday he did not know yet how much money to expect from each of those three sources.

That financing concept may require Cal Expo – which is state-owned – to win legislative approval for designation as a tax increment funding district.

A Cal Expo consultant, Claude Gruen, said it is not certain yet whether the state would do that.

The proposal does not require any new public tax.

NBA representative Moag said the Kings and league learned, the hard way, that Sacramento taxpayers will not foot the bill. Two years ago, a ballot measure for a taxpayer-funded arena failed at the polls.

"That is why this effort is so difficult and will be for some time to come," Moag said. "In some respects, everything you hear today is irrelevant until we hear from the developer, the folks who will write the checks."

Landing that developer appears to be another tough task. Moag said his group has talked

with developers who say the plan could work. But he said the economic climate may have to improve before a developer signs on.

The state would retain rights to land on the entire site, although a developer would control the structures.

That arrangement led to a disagreement among consultants Friday over how much the lease deal would be worth over time for a developer during the residential and hotel phases of the project – an issue that could have bearing on whether a developer feels the deal is worthwhile.

Representatives of the New York-based ERA firm, hired by the NBA, said their analysis suggests a developer can collect sufficient rents and other payments.

However, Cal Expo's consultant Gruen said he sees considerably lower values in the deal for a developer and warned that sometimes grand visions can become "a horror show."

He advised Cal Expo officials to move forward cautiously and see what the development community says.

Several Sacramento city and county officials praised the project and urged the Cal Expo board to push it forward.

Assemblyman Dave Jones, D-Sacramento, a non-voting ex-officio member of the Cal Expo board, sharply challenged consultants on what he considered misleading dollar figures in the publicly released project overview. Jones argued the city and county may not receive projected new tax revenues from the project, and it may end up costing them to provide police and fire services.

- Fair Grounds Market Feasibility Study
- Fair Grounds Operations Forecast
- Financial Analysis of Mixed-Use Program
- Economic and Financial Impact Analysis of the Overall Project

Land Use Concept: Goals

- Develop a ***dense*** and ***varied land use*** program with integrated and adjacent green spaces will transform the CalExpo site into an ***attractive, vibrant, top-notch mixed-use community***
- Create a ***regional destination*** with new, state-of-the-art State Fair facilities and NBA arena for entertainment, including the State Fair, professional sporting events, performing arts, concerts, trade shows, family shows, and other events
- Provide a ***source of funding*** for constructing new CalExpo facilities and infrastructure improvements for the entire site, and ***promote long-term financial stability*** and success for CalExpo.

Site Diagrams: Land Use

Land Use Programming

- Historical and projected socio-demographic trends
 - Population Trends
 - Age Trends
 - Employment Trends
- Market trends and analysis
 - Office Market Trends
 - Retail Market Trends
 - Residential Market Trends
 - Expo Events and Fair Attendance Trends
- Comparables from other mixed-use developments adjacent to sports arenas and stadiums
- Interviews with real estate professionals and economic development and planning officials as well as real estate players

Land Use Concept: Arena-driven Synergies

- Proximity to sports arenas and stadiums trigger “locational energy” associated with the site, significantly increasing demand for mixed-use space and attracting private investment
- ERA analyzed development potential at several projects:
 - L.A. Live
5.6 MSF total, \$2.5 billion mixed-use investment
 - Nationwide Arena District
1.5 MSF total, \$1 billion mixed-use investment
 - Victory Park
4 MSF total, \$3 billion mixed-use investment
 - Westgate City Center
8 MSF total, \$2 billion mixed-use investment

Land Use Concept: Arena-driven Synergies

- Arenas serve as “anchor tenants” drawing new visitors, and support guaranteed event days, creating increased economic stability for adjacent uses
- Drives market performance of mixed-use components:
 - Retail rents are over 50% higher within sports-driven districts
 - Retail rents increase at over three times the pace within the sports-driven districts (18.7% vs. 6.0% annually)
 - Office rents are 4.5% higher within sports-driven districts
 - Office rents increase at nearly twice the pace within the sports-driven districts (4.9% vs. 2.5% annually)

Mixed-Use Program: Land Value Analysis

- Financial analysis reflects the “developer’s perspective”
- Mix of uses creates a distinctive place to work, live, and play
- Proximity to arena and other activity centers providing entertainment
- Critical mass / density of uses establish “place”
- View corridors provide a natural amenity
- Potential for mass transit to serve the development

Land Value Analysis: Assumptions

- Absorption and phasing are based on national and local economic and real estate conditions
- Revenue assumptions reflect first-class mixed-use development based on market realities of the Sacramento area
- Cost assumptions reflect typical mid/high density construction
- Parking strategy maximizes the use of surface parking and delays structured parking until later phases
- Developers could potentially access tax increment financing to fund certain infrastructure improvements
- Land payments occur over time, as development progresses

Land Value Estimates:

With TIF

Delivery Years	Development Program	Land Value (Nominal\$)

Note: Estimates do not reflect CalExpo or NA facilities.

Economic and Fiscal Impact Analysis

- Economic impact from construction of the arena and Cal Expo facilities, with development budget ranging from \$500 million to \$600 million
- Economic impact from construction of the 8.6-million-square-foot mixed-use program
- Recurring economic impacts associated with ongoing operations at full build-out and operations
- Fiscal benefits, including property, sales, occupancy, and income tax revenues at full build-out and operations

CalExpo Market Feasibility Study

- Current Fair and Non-Fair Operating Characteristics
- Local Market Characteristics
- Competitive Market Characteristics
- Activity Forecast
- Target Market Segment Opportunities
- Projected Non-Fair Events and Attendance
- Projected Fair Attendance & Parking Requirements
- Facility Program Requirements

CalExpo Market Study: Fair Outlook

- State Fair remains Cal Expo's dominant event
- Peak Fair days generate over 80,000 daily visitors
- New facility will have modest impact on Fair attendance
- ERA visitation forecast:
 - Initial surge of near 1 million visitors
 - About 900,000 visitors in Year 5
 - Gradually building toward 1 million by Year 10
- As the mixed-use development program unfolds, Fair parking access and on-site circulation programs must be carefully planned to accommodate peak demand days

CalExpo Market Feasibility Study: Non-Fair Events

- New Cal Expo facilities will expand year-round events:
 - Arena and redevelopment will increase market exposure
 - New meeting/conference facilities will attract weekday events
 - New facilities will grow the Sacramento visitor market
- ERA forecasts:
 - 133 to 154 non-Fair events over five-year period
 - Attendance growth from 900,000 to over 1,130,000
 - Large Expo events could attract up to 20,000 visitors daily
- To adequately accommodate attendees and exhibitors during during days with concurrent arena events, physical design issues, including parking or outdoor space capacity must be carefully considered

CalExpo Facility Program: Recommendations Gensler

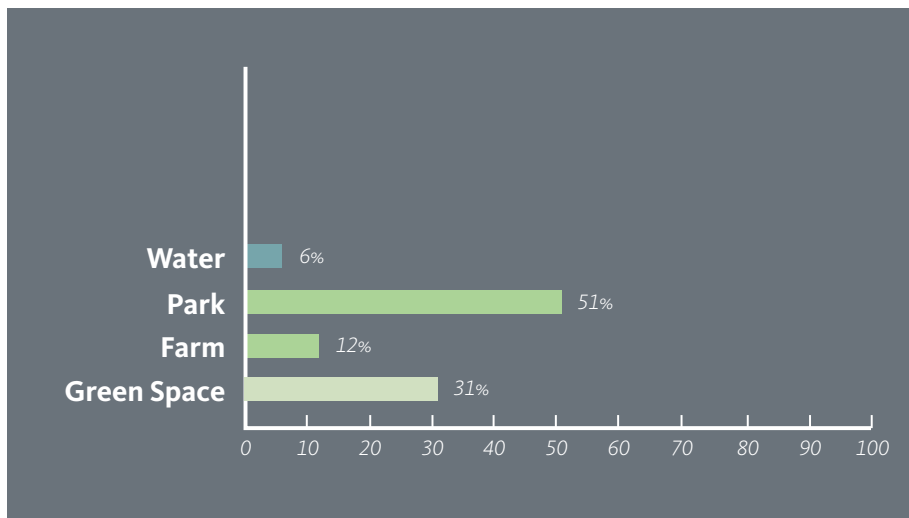

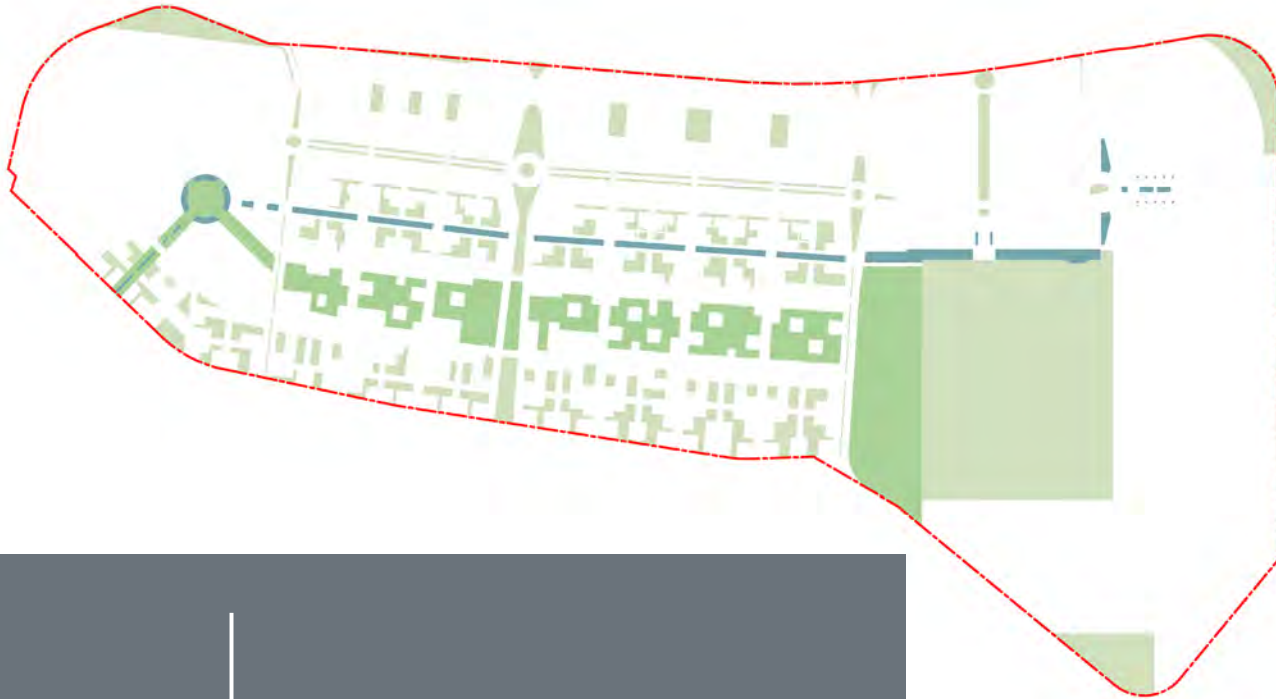

- Exhibit Space: 250,000-300,000 SF of climate-controlled, free span, multipurpose, flat-floor exhibit space
- Trade/Conference Space: Up to 100,000 SF of functional conference space with lobby, break-out rooms, and kitchen
- Attached Covered Space: 325,000-400,000 SF of multipurpose space for events (e.g., horse/livestock)
- Adjacent Open Outdoor Space: 1 million SF outdoor space for Fair carnival, seasonal fairs, and other outdoor events
- Adjacent Parking: 5,000+ spaces for Expo events and up to 15,000 spaces (or transportation program) for the Fair
- RV Campground: At least 300 fully-equipped spaces, with expansion areas to accommodate future demand

CalExpo Facility: Financial Projections

- Current (2007) operations include the State Fair, Expo events program, horseracing, simulcast, waterpark, and RV park:
 - \$27.7 million combined gross operating revenues
 - \$2.2 million net operating income
- Proposed changes to the Cal Expo activity program:
 - Live horseracing ending in 2012
 - Waterpark operations ending in 2016
- ERA operations forecast (2012 to 2016):
 - \$26.6 to \$27.5 million annual gross operating revenues
 - \$1.2 to \$1.8 million annual net operating income
- Financial impacts do not reflect:
 - Loss of racing operations revenue during the construction period
 - Long-term and recurring benefits from reduced deferred maintenance, and debt service

Solano County Fairground Facility for Horse Racing

Preliminary Facility Conditions Assessment Report

Department of General Services
Division of Architectural Services
Solano County

February 24, 2009

Solano County Fairground Facility for Horse Racing

A. Introduction

This Preliminary Facility Condition Assessment Report has been prepared to identify the necessary repairs and improvements, including reasonable cost estimates presented as a cost range until costs can be more succinctly defined. The goal of this recommendation is to make the Solano County Fairground Horse Racing Facility meet minimum operating and safety standards to continue its horse racing activities for the next five to ten year period. Based on historic use, the existing facility is currently much larger than what current and projected operations require. Therefore, the recommendation is limited to the work needed if the facility is “right-sized” for its needs. This approach will require, however, some new construction in order to house functions in the existing facility that are functionally obsolete.

Solano County Fairground Facility for Horse Racing is in need of critical repairs, renovation, site improvements, and some new construction with an estimated total project cost organized by priorities as follows:

Priority 1 (Critical): \$6-7M

Priority 2 (Trending Toward Critical): \$5-6M

Priority 3 (Moderate/Low Priority): \$.3-.5M

Total Project Cost Range \$11.3 - \$13.5M

The total project cost range accommodates seasonal operations over the next ten year period. A Priority Driven Schedule of Work (Attachment A) is provided with this report to allow for phased implementation of the project, as determined by the Board. This estimated cost is based on a “right-sized” facility that would be operational with some existing facilities suspended from further use. The “right sized” facilities include:

Existing Structures – 136,000 sq. ft.:

1. 1967 Grandstand (Box and General Seating Capacity of 1,278)
2. 14 Barns (Including Holding & Testing Barn and Receiving Barn)
3. Jockeys’ Quarters/Administrative Offices
4. Dormitory for Grooms
5. 12 Tack Sheds
6. 13 Tack Sheds Renovated as Grooms Accommodations
7. Restroom Building Facilities (1 Public and 2 for Grooms in “Backstretch” Barn Area.

Solano County Fairground Facility for Horse Racing

New Construction – 8,500 sq. ft.:

8. Jockeys' Quarters Addition—2,400 sq. ft.
9. Dormitory Addition for Grooms--2,500 sq. ft.
10. Press Box—1,800 sq. ft.
11. Photo Finish/Official Room--1,800 sf. ft.

The total built area of the existing Horse Racing Facility includes approximately 327,000 sq. ft. See Attachment B. Of the existing 327,000 sq. ft., the 'right sized' facilities include 136,000 sq. ft. of existing space plus 8,500 sq. ft. of new construction, which together provide a combined total of 144,500 sq. ft. for a "right-sized" facility to fit current stated needs. See Attachment C.

Existing Improvements

The Horse Racing facility, which occupies approximately 110 acres of the total 152-acre Fairground site, includes the following existing buildings/areas:

1. 7 furlong dirt track (7/8 mile)
2. Grandstand (Including seating for 6,000 people, concessions, wagering, press box, and restroom areas)
3. Club House/Seating Areas
4. Jockeys' Quarters/Administrative Offices
5. Dormitory for Grooms (sleeps 32)
6. Stables (22) including 870 stalls
7. Tack Sheds (25)
8. Holding and Testing Stable
9. Receiving Stable (1)
10. Restroom Buildings (3)
11. Stable Maintenance Building
12. Horseman Recreational Vehicle (RV) Park

The only area that appears not to need immediate attention is the dirt track itself. The other buildings require repair to avoid further deterioration and loss of capital investment.

Identified Deficiencies

Specifically, deficiencies were observed in the following areas:

- A. Structural anomalies and inadequacies
- B. Leaking roofs
- C. Inadequate accessibility provisions and other building code-related issues
- D. Functional inadequacies/obsolescence
- E. Cosmetic deterioration
- F. Site drainage/localized ponding and flooding

Solano County Fairground Facility for Horse Racing

B. History/Background/Use

The Solano County Fairground master plan began in 1945 as a horse racing facility. The original survey included a race-track, bleachers, concession area, five lean-to enclosures, nine barns, and a show tent. The track appears to have been initially constructed with the horse receiving barn and men's/women's toilet building following in 1952. The original Grandstand in its current location was originally constructed in 1955. The facility quickly grew to include various other buildings including Jockeys' Quarters in 1956 and several Barns in 1957. The original Grandstand expanded to the north in 1967 with an addition to the west in 1978. The Club House Seating Area located to the south of the original Grandstand was also added during the 1970's. The Grooms Dormitory was completed in 1982. Various other improvements such as utility upgrades, fire protection, drainage installations, and the Horseman RV Park have occurred throughout the 1990's up to 2007.

The Solano County Fairground is operational periodically year-round but the activities surrounding the Horse Racing facilities are most active from early June until mid-October according to the Fair Operations Manager. Horse racing currently occurs 2 weeks during this season that coincides with the Solano County Fair. Up to 300 stalls may be used at any one time. A total of 870 stalls are available at the Barns. Of the 300 horses visiting the facility at any one time, sixty percent require only day accommodations, while 40% remain on the grounds. As many as 150+ grooms require overnight accommodations during the horse racing period. The existing dormitory (1982) provides only sixteen 10'x10' rooms, which are sometimes inhabited by 3-4 grooms. Other grooms sleep in the Tack Sheds while others sleep in trailers. The Jockeys' Quarters provide limited space for day storage and toilet, shower, and changing facilities for the jockeys while they are on site. The facility was not originally designed to serve, nor does it currently provide services to women jockeys. Other than as previously noted, jockeys typically do not stay on the grounds, they stay in nearby hotels.

C. Assessment Methodology

Information gathering for this Preliminary Facility Condition Assessment study of the Solano County Fairgrounds Horse Racing Facility included:

- A. Field observations
- B. Photographic survey

Outdated Wagering Counters at Grandstand (First Level)

Outdated Kitchen Facility at Jockeys' Quarters

Outdated Public Toilet Rooms

Solano County Fairground Facility for Horse Racing

- C. Interviews with Mike Paluszak, Fair General Manager, and Stephen G. Hales, Fair Operations Manager; and
- D. Review of several documents including previous plans, reports, and studies.

The Preliminary Facility Condition Assessment includes recommendations that propose areas for further study, which may occur concurrently within the process of design. Based upon recommendations, which are pending further study, a cost range of improvements was developed. Due to time constraints, it was not possible to engage authorities having jurisdiction in the process to determine definitive code implications pertaining to the recommended improvements or to engage Fair staff to discuss the operational impacts of the recommendations.

D. Existing Condition Findings

Overall conditions of the facility were found to be in a state of deterioration and ill-repair. If immediate action is not taken, the County assets are vulnerable to exponential and potentially irreversible loss. The observed deficiencies noted are in relation to current building code requirements and normal design/construction industry practices and standard of care. Many of the existing conditions are ‘grandfathered’ and are not required to meet current code requirements. However, if improvements are made, then improvements in those areas must comply with current codes. In general, deficiencies were noted in the following areas:

1. Compromised structural integrity (mainly lack of lateral bracing)
2. Inadequate fire and egress improvements
3. Moisture intrusion mainly through leaking roofs
4. Rotting of exposed wood including structural members
5. Incomplete accessibility provisions for persons living with disabilities
6. Inadequate site drainage evident by flooded site areas and standing water
7. Outmoded/obsolete building components and systems
8. Functional inadequacies in relation to current operational need
9. Protracted cosmetic deterioration/appearance

For a brief outline description of various deficiencies by functional area, see Attachment D—Deficiencies.

E. Recommendations

If time and cost permits, and before construction work proceeds, the following are recommendations for further study. These analyses may be performed as part of the architectural/engineering scope of contracted services to make improvements if the Board elects to proceed with improvements:

1. Feasibility Study and Cost-Benefit Analysis for Horse Racing
2. Complete Architectural Assessment and Code Analysis
3. Complete Structural Study Including Seismic Analysis
4. Civil Engineering Investigation regarding Drainage Issues
5. Hazardous Material Assessment Report
6. Fire Protection System Testing and Assessment
7. Verification of Code-required Improvements in Affected Areas with Authorities Having Jurisdiction, Risk Management and Operational Impacts with Fair Staff.

See Attachment E—Recommendations for suggested improvements to correct identified deficiencies in each area.

F. Conclusion

Solano County Fairground Facility for Horse Racing requires repairs, renovation, site improvements, and some new construction with an estimated overall total project cost range of \$11.3 — \$13.5M for a “right-sized” project to accommodate seasonal operations for an estimated period of five to ten years. To inform the Board of Supervisors, the Preliminary Facility Condition Assessment prepared by the Division of Architectural Services (DAS) recommends that the County pursue further studies and analyses as noted in Section E (above) of this report including a Feasibility Study and Cost-Benefit Analysis of the Horse Racing Facility. DAS anticipates a 2-3 year project schedule including entitlements, design, and construction. Pending findings from further study, DAS would be in a better position to formulate more definitive recommendations and project schedule for the Board’s consideration and to develop various options regarding the Horse Racing Facility, including protecting the Racing Facility as the centerpiece of the Solano County Fairground improvements and preserving a long history of horse racing activity that launched the original master plan at the inception of the Fairground in 1945.

Del Mar considers reducing race card

Economy a factor in five-day format

By [Hank Wesch](#)

Union-Tribune Staff Writer

2:00 a.m. February 28, 2009

Track insiders and general fans who have opined that the Del Mar Thoroughbred Club summer meeting would be better with a reduction from its six-day racing week could get their wish this summer.

DMTC's top officials acknowledged yesterday that the organization, which leases the facility from the state to run the race meeting, is exploring the possibility of dropping Mondays from the Wednesday-to-Monday format that has stood for decades.

"It's certainly something we've been looking at and the more we look at it the better it gets," said Joe Harper, DMTC president, CEO and general manager. "I feel confident saying it will be our recommendation that we go to a five-day week."

Executive Vice President Craig Fravel emphasized that the notion is "not any more than conceptual right now," and the DMTC is "still doing an internal analysis." Harper said it is not a fait accompli, because approval must be gained by the DMTC board of directors, the board of the 22nd District Agricultural Association (Del Mar Fair), state racetrack leasing committee and the California Horse Racing Board.

The analysis, being conducted by DMTC chief financial officer Michael Ernst, could be finished within a month, Fravel said. Approval from other agencies would conclude with the licensing to run the meeting with specific dates from the CHRB at its meeting in May.

The current state of the economy, a declining California thoroughbred horse population and perceived downturn in both the number and financial commitment of owners are all contributing factors in the decision to explore the five-day option.

"We've always been a big proponent of when you make a change here you better make it for the benefit of the patron," Harper said. "I think this is certainly to the benefit of the patron. If we're right, we're going to have better (racing) cards, basically."

Six-day racing weeks have been standard at Del Mar since 1946. The track, founded by Bing Crosby and some Hollywood friends, opened in 1937. It presented races on a Tuesday-to-Saturday basis before being closed from 1942-44 during World War II and maintained that schedule for the re-opening season in 1945.

A Monday-to-Saturday format was maintained from 1946 until 1973 when – sports competition on Sundays having gained social acceptance – conducting racing and betting on Sunday was legalized.

In recent decades many horsemen – who generally live and work in the Los Angeles area with the exception of two months in the summer – have said five-day weeks at Del Mar would be easier on them and their horses.

Gulfstream Park in Florida and Golden Gate Fields in Northern California have reduced days and felt the overall impact was positive, Harper said the DMTC studies have shown.

“You start off thinking about it as a defensive move, to give the horses, the trainers, jockeys and the track employees a break,” Harper said. “But the more you look at the revenue side and the savings side in light of what's going on now, all of a sudden it makes a whole lot of sense financially.

“It turns out, after I think a fairly conservative financial analysis, we think there's a sizable benefit here. That, going along with better racing, it seems like a pretty easy decision to make.”

Last year, Del Mar averaged 8.59 horses per race, the Daily Racing Form reported, down from an average of 8.63 in 2007.

If approved, the reduction would mean fewer person-hours for the track's labor force – which draws especially from teachers and others who have summertime availability. But Harper said avenues will be explored so that, while salaries may be cut, as close to the current number of employees as possible will be maintained.

Some Magna Entertainment units in default

Magna Entertainment Corp. [[MEC.A-T](#)] said Friday that it has received notice from its lenders that several of its subsidiaries are in default.

The company said that Pimlico Racing Association Inc., Laurel Racing Association LP, Laurel Racing Assoc. Inc. and the Maryland Jockey Club of Baltimore City Inc. are in default under the PNC Bank loan agreement.

The horse racing and gambling company said PNC Bank has told the company that it has chosen not to exercise its rights under the agreement at this time, but may choose to in the future.

MEC also said that it has told Wells Fargo Bank, National Association and a Canadian chartered bank with which it has a \$40-million (U.S.) credit facility that MEC has not met certain financial covenants of the loan agreements.

Magna Entertainment

Last week, MI Developments Inc. cancelled plans that would have seen the company disentangle itself from Magna Entertainment.

MID, the property management spinoff of Magna International Inc., said it was unlikely that it would be able to arrange the new debt financing associated with the proposal given the turmoil in the financial markets and the automotive industry.

MID said it was in talks with Magna Entertainment concerning alternatives.

Investors in MI Developments have been fighting for years to jettison heavily indebted Magna Entertainment.

The deal would have seen all of MID's corporate ownership of Magna Entertainment spun off to MID shareholders, with Frank Stronach holding control of the company.

Failed plan results in Magna's loans coming due

By Matt Hegarty

MI Developments has abandoned a complex proposal to spin-off the troubled racing company Magna Entertainment Corp., according to both companies, a decision that leaves Magna with few options to retire a crushing debt load.

In a release, MI Developments said it had canceled the plan because of "current global economic conditions." The plan, which was announced in late November but was immediately opposed by several large shareholders, would have transferred all of MI Development's stock in Magna Entertainment to a company controlled by Magna's founder, Frank Stronach.

Magna Entertainment owes MI Developments approximately \$175 million under three loans. As a result of the cancellation, a loan worth \$75 million will become due on March 13, and a \$100 million loan will now become due on March 20, 2009. Under the spin-off plan, Magna Entertainment would not have had to begin to repay the loans until the end of the year.

According to the companies, if Magna Entertainment defaults on any of those loans, all of its other long-term debt will immediately become due.

Magna Entertainment, which owns 10 tracks, including Santa Anita Park and Gulfstream Park, has lost more than \$500 million over the past five years and holds \$500 million in debt. It recently hired a company specializing in bankruptcy reorganizations as an advisor.

Magna Entertainment was spun-off in 2000 from the auto-parts company Magna International. In 2003, MI Developments, a property-holding company, was spun-off from Magna International as well, and became Magna Entertainment's parent.

**THOROUGHBRED TIMES.com**[Print](#)**Another director leaves MEC**by [Frank Angst](#)

For the second time in less than a week, a board member of financially strapped racetrack owner Magna Entertainment Corp. has resigned.

Anthony Campbell, of Knott Partners, has resigned from the Magna Entertainment board. Magna Entertainment is in danger of defaulting on loans worth a total of \$275-million in March.

Magna issued a press release about Campbell's resignation late Wednesday night. Chairman Frank Stronach wished Campbell success in his future endeavors.

Campbell's resignation follows the February 20 resignation of Jerry Campbell. Jerry Campbell, who is chairman of Citizens Republic Bancorp, had served as a member of Magna's audit committee. As a result of his departure, Magna Entertainment is not in compliance with requirements to maintain its listing on the NASDAQ exchange.

The two resignations this month follow the January 26 resignation of Magna director Charlie Williams.

Magna Entertainment has failed to carry out a debt elimination plan it announced in September 2007 that called for the sale of Great Lakes Downs, Thistledown, Portland Meadows, and Remington Park. Since then, the track also has looked at selling at least shares in its top tracks Gulfstream Park and Santa Anita Park.

On February 18, Magna Entertainment's parent company MI Developments announced it would not proceed with a reorganization plan that would have infused another \$125-million into Magna Entertainment. The plan had been favored by Stronach, who also chairs MI Developments.

Laurel argues bid should be reconsidered

by [Frank Angst](#)

Attorneys for the Laurel Racing Association argued Thursday that its license bid to operate slot machines at Laurel Park should be reconsidered.

Because Laurel Racing Association, a subsidiary of financially troubled racetrack owner Magna Entertainment Corp., did not submit a \$28.5-million initial license fee to the Maryland Education Trust Fund, the Maryland Video Lottery Facility Location Commission denied the license bid on February 12.

Alan Rifkin, attorney for Laurel Racing Association, argued Thursday that Maryland did not outline refund procedures for the fee if the bid was not approved. Rifkin said that because the refund procedures were not included by the state, the fee request was unconstitutional.

Magna has since put \$28.5-million in an escrow account to cover its application for 4,750 video lottery terminals. Also, the facility location commission has granted a standstill agreement on any decision until the Anne Arundel Circuit Court makes a ruling.

Judge William Mulford II said he would make a ruling in about three weeks.
